and what have you

by BOB CRAIG

About this time last year we carried in this column a reminder to the Hamlin basketball fans that they must learn to control their emotions for the sake of our youth. It seems that it is time again to repeat this warning.

Of all of the spectator sports, basketball is probably the hardest on the sportsmanship of the fans. Not only are the people jammed into a relatively small space, but the very nature of the game, with its many fouls and close calls, seems to bring out the worst in people.

The best hope I can see for the game is to take it out of the hands of the fans and officials and give it back to the kids. This does not mean to just let the kids run wild but get it back to where the kids play basketball instead of shoot free throws. The fewer times an official is required to call a foul the fewer times the fans will be likely to become upset.

But since the game must be played under the present rules the only thing that can be done is for the fans to exercise more judgment.

Both schools in each contest have an opportunity to approve the officials to be used in the game and when they have been okayed by the schools they must be accepted by the fans regardless of the outcome.

No amount of ugliness on the part of fans, either during or after a game, would change the outcome of the final score. And even if it would—the risk involved to the future status of the kids make it where it would not be worth it.

We have had two schools in this area suffer the penalties that can be imposed by the Interscholastic League and the damages that were done to the many fine young people that were innocently involved in the incidents were terrible. Many of them today are holding down poor paying jobs because they were denied the opportunity of earning athletic scholarships that they had the talents for.

It just takes one mistake on the part of an over anxious fan to get a school in serious trouble and it would require a lifetime to overcome the regret.

Under the present rules and regulations the only thing that this writer can recommend is for the school to do the best job it can in selecting the officials and for the fans that can not control their emotions to stay home.

We received the following letter this week from Billy R. Armstrong and since his friends might enjoy hearing about him we are carrying it in this column. (He also mentions nice things about the paper, too... We appreciate this.)

Dear Sir:
I may perhaps know you and then I may not. The name is not familiar so the odds are against it. I was in the Class of 43 and since enlisting in the service in 43 have only been back through Hamlin and then only for short stops, visiting my aunt and uncle Mr. and Mrs. Bob Tegart.

Anyway let me say I thoroughly enjoyed reading the paper and particularly the Neinda Philosopher. Incidentally upon reading the 24 Jan. issue I may be able to shed a little light upon his problem. There is a move underway not too far distant in the future I am told to assign a telephone number to an individual upon his being born. I understand they are experimenting with this some place up north. So his problem is being worked upon.

The main reason for this letter is to inform you that I am retiring from the Navy on 1 Feb. 63 and this will necessitate a change of address. So until further notice will you please forward my copy to 605 Hickory, Sweetwater Texas in care of Mrs. A. L. George (my mother) When I get settled - which I hope is soon and will be either Ft. Worth or Wichita Falls, I will inform you of my new address. I plan on working for the Government again, but not in the service. I will

GETTING IN PRACTICE—Boys of Troop 43 get in a little practice as they prepare to take over the Oliver Oil Co. station Saturday in an effort to earn enough money to finish paying for their bus they have purchased last

fall. Burt Oliver has offered the boys the use of his station for the day with the boys making all of the profit from the operation. The troop still owes \$20 on the bus and will use any money over this amount for other expenses.

PICTURES NEEDED OF FLOOD DAMAGE ON CALIFORNIA CREEK

STAMFORD, Texas — Do you have any pictures showing high water or flood damage, caused by California Creek or any of its tributaries? These pictures might lead to a program that would eliminate this recurrent problem.

A committee has been set up within the California Creek Soil Conservation District to gain approval of an upstream flood prevention program on the creek. Federal funds are available for building the necessary dam to carry out the program.

Members of this committee are now gathering damage estimates from farmers, from utilities companies. It is necessary to establish that the cost of building the dams would be justified.

The committee is made up of representatives from the various communities in the county and the pictures can be given to these men. If you do not know the committee man in your area, the pictures may be given or mailed to W. A. Pool, soil conservationist, Stamford.

The damage estimates will be submitted to the state and a survey requested. Many districts are seeking similar programs and a strong case is needed and the material should be submitted with little delay, Mr. Pool said.

Jones County Commissioners court has agreed to cooperate in the program and a similar request will be made of the court in Fisher County.

Services were held at 10 a. m. Tuesday at the Rex Funeral Home Chapel and second services were conducted at Prairie View Baptist Church. Burial was in Prairie View Cemetery.

Born Oct. 17, 1896, in Jones County, Mr. Rainwater was the son of Mr. and Mrs. George Rainwater.

In Nov. 1916, he was married to the former Clara Agnew at Carpenter's Gap community near Anson.

A retired farmer, he was custodian of Lubbock Public Schools at the time of his death. Mr. Rainwater was a member of the Baptist Church.

Survivors include his wife; one son, Bert Truitt of London, England; one daughter, Mrs. Vivian Grindstaff of Lubbock; six brothers, Ollie of Lovington, N. Mexico, Archie, Andrew, N. J., all of Lubbock, Roy of Calif., and Delbert of Idaho; four sisters, Mmes. Bill Young, Bryan Young, both of Hamlin; Beulah Wood of Idaho and Bertha Russell of Kansas City, Kansas. Two children preceded him in death.

Boy Scouts Plan Court of Honor Here Sunday

Some 30 awards will be presented to Boy Scouts of Troop 43 in the Court of Honor to be held in the junior high school auditorium at 1 p.m. Sunday. These awards will include those of advancement and merit badges.

The Court of Honor coincides with National Boy Scout Week, Feb. 7-13.

Fire Department Plagued with Grass Fires

Six grass fires were the cause of alarms during the past week. The Hamlin Volunteer Fire Department was required at the scene of one of the fires for four hours Tuesday.

The dead, dry grass and weeds are just waiting to burn at the slightest spark; residents need to exercise extreme caution when it becomes necessary to burn trash or rubbish.

The fires were as follows: Wed., 1:40 p.m., J. V. Howard's S. W. Ave. C; no damage; Thurs., 8 p.m., Farmers Gin in Southwest Hamlin, no damage; Thurs., 9:50 p.m., one mile northeast of town, no damage; Fri., 5:45 p.m., 600 block S. W. First, no damage; Sunday, 11:50 a.m. east of town on Stamford Highway, no damage; Tues., 1:45 p.m., nine miles west of Hamlin at Starr Inzer's minor damage.

rites held THURSDAY FOR J. M. DOWELL

Services for John Melvin Dowell, 64, of Route 1, Hamlin, were held at 2 p.m. Thursday at the McCauley Baptist Church with burial in the Roby Cemetery.

Mr. Dowell, a resident here since 1919, died at his home at 11:20 p.m. Wednesday, following a heart attack. He was a farmer and a member of the Baptist Church.

Born Aug. 7, 1898, at Moody, he was the son of Mr. and Mrs. William Dowell. He was married to Jessie McDonald in Fisher County, Dec. 5, 1919.

The Rev. Gerald Tidwell, pastor, and Rev. Merle Stephens, pastor of the Meadowbrook Baptist Church of Irving, officiated.

Survivors include the wife, one son, Harvey Don, two brothers, Dick and Cecil, both of Moody; eight sisters, Mmes. Della Davis, Jess Shelton, Besdal, all of Waco; Jimmy Mars, C. O. Porten, John Beckner all of Moody; Marshall Ellington of Troy, R. M. Moore of Royston; and three grandchildren.

Fire Department Honors Retiring Members Thursday

Bryant Conner and Jack White were honored by the Hamlin Volunteer Fire Department with a retirement dinner at Bonnie's Restaurant Thursday evening. Both men were recognized for their more than twenty years of service to the department. Conner joined the group in 1941 and White in 1942. Both men have served various offices during their membership. White served as chief for eight years.

Chief C. L. White presented Conner with a billfold and key case and White with an engraved cigarette lighter from the department.

Tim Jones Attends Houston Meeting

Tim Jones, band director of Hamlin Public Schools, attended the convention of Texas Music Educators Association last week in Houston.

Jones is Region II Chairman and serve on the State Board of Directors during the complete revision and adoption of a new constitution. The convention headquarters was in the Rice Hotel. He also attended performances of the AA Honor Band, (Ed Couch-Elsan Band) the AAAA Honor Band (Permian High School of Odessa,) and the all State band, choir and orchestra.

STOCKMEN TO MEET IN ANSON ON SCREWORM PROGRAM

Since stockmen and farmers have been called upon to complete their quota before the State will appropriate funds to finish the screwworm eradication program, a meeting of the Jones County Animal Health Committee has been called for Thursday, Feb. 7 at 2:00 p.m., Charlie Myatt chairman, announced early this week.

The meeting will be held in the County Court room of the courthouse at Anson and the public is invited, Myatt said. It has been suggested that all livestock owners donate an additional 50 cents per head to the cause and canvass of stockmen has already been started in the Nugent community Myatt said.

Also bankers, oil mills and some other business closely related to farming and ranchmen, have already added to the contributions they made last year, he said.

The county has sent in \$6,700 to the eradication fund and at least \$1,700 more is needed to meet Jones County's obligation under the present setup, Myatt declared. The money is needed by March 1.

Myatt and Maxie Harvey attended the state-wide meeting on the screwworm program held in Austin January 14.

Lions Club Sets Supper Date

Date for the annual Lions Club Pancake Supper was announced this week by James Josey, club president. The club will serve all of the pancakes and bacon you can eat Friday night, March 1.

The event will feature local talent again this year and serving time will be from 5:30 until 8:00 p.m. The Lions Club has again offered the Boy Scouts Troop 43 a third of the money they collect on the tickets they sell in advance.

Tickets will be 75 cents for adults and 50 cents for children.

Committees named for the supper by Josey are: providers, Ed Duncan and Bill Early; bacon burners, Leldon Clifton and E. E. West; head chef, Loyd Burkhardt; assistant chef, Donley Williams and Bob Craig; floor show, Ed Croan, Robert Fowler and Henry Albritton; short change artist, Ray Sonnenberg and David Casey.

Mattie De, Herman McBride; bus boys and waiters, Rev. Jim Boswell, Rev. Fred Brown, George Campbell, Arlie Cassie, Haskell Carter, Paul Cooper, and W. T. Johnson; Cleaners of the flying saucers, Lester Minton, chief pilot, Claude Lancaster, Frank Legan, Max Murrell, B. V. Ruby Harmic To Give PTA Program Today

Ruby Harmic, Fisher County Attorney, will be guest speaker for the Good Citizenship program at the meeting of the Parent-Teachers Association today Thursday 4 p.m. in the primary cafeteria.

The invocation will be given by the Rev. John H. Burleson, pastor of the Calvary Baptist Church.

Entertainment will be presented by students of the three first grades under the direction of Mrs. Willard Maberry and the teachers.

A social hour will follow the program.

Eddie Smith Shows Steers in Show

Eddie Earl Smith, son of Mr. and Mrs. A. A. Smith of McCauley, exhibited two steers in the Junior division of the Southwestern Exposition and Livestock Show in Fort Worth Jan. 25-Feb. 3. His Angus steer placed 17th in its class and was sold Friday, Feb. 1, in the junior auction sale.

Eddie is a sophomore in McCauley High School. He was accompanied by T. C. Rice, vocational agriculture teacher at the school.

PIPERS DOWN BALLINGER TUESDAY NIGHT

The Pipers came from behind in the final quarter here Tuesday night to hand the Ballinger Bearcats their sixth conference defeat, 53-47. The Pipers now stand 3-4 in district play and the Bearcats are winless.

The Pipers were led by Van Newberry with 14 points. Ray Peterson was high for the Bearcats with 17 points.

Barbara Lakey scored 32 points to lead the Pipers to a 69-31 victory. Arlene Davis was high for Ballinger with 14.

Friday night the Pipers were edged by the Anson Tigers 60-59, on a free throw after time had run out in the game. Van Newberry was high for Hamlin with 15.

The Pipers dropped their first district game as they were defeated 45-38 by the Anson girls. Barbara Lakey was high for the Pipers with 21 points.

The March of Dimes will be brought to a close here when the coin collectors that are in business houses are picked up at the end of the week.

Leldon Clifton, treasurer for the local drive, said Tuesday noon that a total of \$1,017.82 had been turned into him. This figure includes the Boy Scouts street blockade, the Mother's March, receipts through the mail, and other donations.

Carlton Implement Sponsoring Annual John Deere Day

Weldon Carlton, local John Deere dealer and owner of Carlton Implement Co., is sponsoring a special film to be shown today (Thurs.) at 7:30 p.m. in the primary cafeteria.

The film shows how the John Deere tractor is contributing to scientific farming. Several well known movie and television stars will be in the feature.

Refreshments will be served and there will be door prizes.

PIPERETTES TO MEET WINTERS IN OPENING ROUND AT H-SU

ABILENE — The defending champion Avoca Mustangettes join a field of 15 other teams who will be competing in the annual Hardin - Simmons University High School Girls' Invitational Basketball Tournament here Feb. 7-8-9. The Pipers will open with Winters at 1:45 p.m. Thursday.

The 16-team tournament is scheduled for Thursday morning through Saturday night in Rose Field House on the Hardin - Simmons campus. The meet is sponsored by Hardin-Simmons and is under the direction of Otto Polk, head of the health and physical education department at H-SU.

Seven teams who did not compete last year have been added this year. They include Burk Burnett, Sands, Lake View of San Angelo, May, Rochester, Wylie and Baird. They replace Abernathy, a perennial champion of the meet, Dunavansville, Luaders, Jim Ned Forsan, Coleman and Benjamin. Other teams in the tournament are Hawley, Anson, Eula, Winters, Old Glory, Trent, Paint Creek, 6:45 p.m.

A special attraction of the tournament Thursday night will be a college game matching the Hardin - Simmons Cowboys against the Oklahoma City University Chiefs. The game will start around 8:30 p.m. after the final girls' contest.

Local Licenses To Carry DF Prefix This Year

License plates went on sale here Friday morning and through Tuesday afternoon about 55 licenses had been sold from the office of Turner-Nail Insurance Agency, 238 S. Central. Wesley Nail is in charge of the license plate sales for Hamlin.

Passenger cars will carry a prefix of DF with the numbers going from 7100 to 9299. Other motor vehicles requiring licenses and the numbers assigned to the Hamlin area are as follows: Trucks, 1S-6400 to 1S-6999; farm trucks, 8H-6300 to 8H-6599; truck - tractor, J11-550 to J11 599.

Nail will be issuing licenses during office hours of 8 a.m. to 5 p.m. weekdays and from 8 a.m. to noon on Saturday. All vehicles must be licensed by April 1.

Three Abilene Men. Working Here, Hurt In Accident Tues.

Three men who are employed with the government housing project here were involved in a traffic accident Tuesday about 5 p.m. as they were returning to their home in Abilene.

The accident happened on the south edge of Anson on U. S. 83. The car, driven by Charles Frank Essary, 26, collided with a highway department truck which was preparing to turn into the highway department yard. Both were traveling south. Injured were Charles Johnson, 25, and the driver. The other occupant, Charles Herrick, and the two men in the department truck were not injured. Essary and Johnson were taken to Anson General Hospital.

Years Ago...

FORTY YEARS AGO

The Herald is tempted to turn loose upon the Highway propaganda that is getting so rife in Texas these days. But for fear some patriot (?) will accuse us of being "again" a thing so good, we shall hear and now go on record that we are for the best roads possible, anywhere, everywhere and GOOD ROADS, mind you, before pike highways for Transcontinental or Trans-state trippers to sport over. There is a bit of difference between the fake "Designated" Highway and the community road that is laid out built and maintained for the country man to get his product over to the market.

TWENTY-FIVE YEARS AGO

Frank Edwin Hines, rural mail carrier at McCaulley, retired. He began to carry the mail on a Rule route in 1915, and continued in this capacity until transferred to McCaulley in 1935. Tom Hudson enters race for sheriff. J. B. Terrell, Jr. went to Austin last week to enroll in the State University. He is to take the pre-med course and some day it will be Dr. Terrell. Delma D. Shelbourne, W. H. Murphy, Grover Sipe and E. G. Smith are building a new residence for the Lewis Production Co. near Electra. B. T. Beaver of Anson will ask for the office of County School Superintendent again.

FIFTEEN YEARS AGO

A little daughter, Barbara Nell, is new in the home of Mr. and Mrs. George McDaniell. She weighed eight and one half pounds. A son weighing seven and 1/2 pounds was born in a local clinic to Mr. and Mrs. Joe Fude. The little fellow was named Joe Allen. Several Hamlin citizens, including Hamlin's two famous square dance teams, have enrolled in a square dance school to be conducted at Anson by Bob Summerall. Reynard Brown, son of Mr. and Mrs. H. E. Brown, was among 169 students awarded degrees in a winter commencement exercise at North Texas State College. Albert Maberry of Sylvester, and well known around Hamlin, was named last week as the County co-ordinator of the Veterans Vocational Schools.

10 YEARS AGO

Work is progressing nicely on the new \$6,000 meeting house for the Oak Grove Colored Church. A boy for Dr. and Mrs. E. D. Perrin, was born January 21 at 7:15 a.m. Weighing eight pounds 11 ounces, he has been named Gregory Jon. A girl for Mr. and Mrs. A. M. Burleson arrived February 1. The little miss has been named Betty Sue. Named to the Camp Fire Council were: Mrs. Thomas Ferguson, John C. Bryant, Dr. Don Gould, Rev. Miles B. Hays, Mrs. M. T. York, Mrs. Willard Jones and June Jones.

FIVE YEARS AGO

Last year was the wettest year in the history of the Hamlin community, that is since government records of rain fall has been maintained. This gave the region a decided change from six years of drought. A total of 29.14 inches was recorded by the Hamlin gauge. Buster Brown, Future Farmer of America member of Sylvester, has entered three Durac barrows in the junior division of the great 1958 Houston Fat Stock Show. Jones County lags in 1957 purchases of Savings Bonds. Contract is made for two more road projects in county. Mrs. Ned

Moore is named to the office of secretary of the new Hamlin Board of Community Development.

Stockmen Urged to Take Depreciation On Livestock

College Station — The livestock producer who does not figure depreciation on the livestock that he purchases is missing a good means of conserving capital, says C. H. Bates, extension farm management specialist.

Since much of the large capital investment required in the business of farming can be recovered by the taxpayer through depreciation, attention should be given to the present tax provisions, according to Bates.

The 1962 income tax law contains important changes affecting farmers and ranchmen. New suggested useful lives for some classes of property are among them. A three-year period will be allowed for shifting to the new guidelines, Bates says. The biggest change is that for farm building life which has been changed from 40 years to 25 years. Bates says that the useful life for cattle has been changed from 8 to 7 years on purchased animals.

Claims for depreciation should be made annually because it cannot be taken for years passed up, Bates explains.

The taxpayer can increase his potential capital gains from livestock sales by properly handling depreciation and the new tax law did not change capital gains on livestock. According to Bates, one of the first requirements is the setting of reasonable salvage value on animals purchased. The remainder may be "written off" as depreciation which then is regained when the old animals are sold.

The new "1963 Farmers Tax Guide" is now available at the Bates suggests that farmers and ranchmen pick up a copy at their earliest convenience. It's chuck-full, he adds, of important information.

M-SGT. JOHN L. BARNETT

Sgt. John Barnett Graduates from Military School

GOODFELLOW AFB—Master Sergeant John L. Barnett of Hamlin, has graduated from the Command Senior Noncommissioned Office Academy here.

Sergeant Barnett, son of Mr. and Mrs. John Barnett of 628 W. Lake Drive, received advanced training in leadership and management. The course included study in military justice, Air Force history, human relations, world affairs and related subjects.

The sergeant, who entered the service in 1946, is assigned to the personnel services office here. He is a graduate of Hamlin High School. Sergeant Barnett and his wife, the former Barbara Allen of Houston, have a daughter, Beverly.

a little BIG NOW

We all get a thrill out of seeing our children put on our hats or shoes. Obviously they don't fit now, but some day he, or she will grow to fit them. At the same time imagine that they are trying on our lives. Would they fit? ... or do you live the type of life that you would want them to grow to. Live a life of worship of the Lord.

"Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FAIRVIEW NEWS

By MRS. ELMER JOINER

After five weeks of the same old story, cold weather, we are happy to be able to say this morning that we have had some nice weather last week. Just enough nip in the air every morning to remind us that the winter isn't over, just giving us a little rest, it could return any day, but until it does we are enjoying the warmer weather. An old time West Texas dust and windstorm, blanketed the area Friday and Saturday, but as is usually the case, it was followed by a beautiful day Sunday, all of which is a welcome change from the bitter cold we have been having.

Tragedy struck the home of Mr. and Mrs. Melvin Dowell, of our community last Tuesday night, when Mr. Dowell suffered a heart attack and died at their home. Not being able to drive a car, and not having telephone, Mrs. Dowell had to walk half a mile for aid, but it was apparent that he had died instantly. Our deepest sympathy goes to the wife

and one son and family. Funeral services were held Thursday afternoon at the Baptist church in McCaulley, with burial in the Roby cemetery.

Funeral services were held Wednesday morning at 10, at the Prairie View Baptist church for Brown Rainwater, following services held in Lubbock Tuesday morning at 10 a. m. Mr. Rainwater was living at Lubbock at the time of his death, having suffered a heart attack Thursday morning, collapsed and died, while aiding his daughter to get her car started. He is survived by his wife the former Clara Agnew, one son and one daughter, a number of brothers and sisters. His body was laid to rest in the cemetery at the church, in the family plot.

Mr. Rainwater's sister and son, had attended funeral services in Lubbock Tuesday and were returning to their home in Kansas City, later in the day, on the plane that crashed and burned, in landing, at the airport in that city. Both of them perished, making such a tragedy in itself, but happening before the brother was laid away it made it so hard on all the family. At times to do any thing more than share their grief and say how sorry we are.

Mrs. Elmer Joiner was one of the four ladies of Jones county, to attend the district planning meeting of the H.D. clubs, held in Spur, last Thursday.

Mr. and Mrs. Winson Gray visited Mr. and Mrs. Mel Jones Friday night.

Several from our community attended the singing at Hanna, Sunday afternoon. Those from our church were, Mr. and Mrs. Joe Ford, Mr. and Mrs. E. A. Henry, and Rev. Derrel Lewis and children.

Visiting with the Woodrow Goodwins for lunch Sunday were his two sisters, Mrs. Winnie Hale and son Goodwin, Crosbyton, and Mr. and Mrs. Archie Hogan, Spur.

Sunday night after services, the Goodwins went to Roby to visit with Mr. and Mrs. Bryan Goodwin who are in the nursing home there. At the last report, Mr. Goodwin was improved since being moved there.

Mrs. Johnny Lewis, the pastor's mother, has been ill in the Hamlin Hospital for several days.

Mrs. Derrel Lewis reports that her father, Mr. Ray of Lubbock, is some better, not having any bad spells last week, but is still in the hospital and prospects for his getting better aren't very bright.

Mr. and Mrs. Elmer Joiner accompanied his sister, Mr. and Mrs. Henry Kee, Lubbock, to San Antonio, Friday afternoon, where they all visited with their brother, Sonny Joiner, until Sunday.

Mr. and Mrs. Jack Walker, and girls Hamlin, were Sunday afternoon visitors of Mr. and Mrs. Woodrow Goodwin and Linda.

The pastor and family ate lunch with Mr. and Mrs. Fred Rosenbaum Sunday.

It has been learned that our

former pastor, Doyle Combs, and pastor at Swenson for the past year, has accepted the call of the Cavalry Baptist church in Andrews. He will move there in the near future, to begin his work. Our prayers go with him in this new field, we know the people at Swenson hate to lose them, but this is quite a bit larger church and he won't have to seek outside employment, and can devote his full time to the church work. This is the dream of every pastor and it is always a step forward in the ministry of a young preacher to get in a church where he can do that.

Mrs. Fred Rosenbaum announced Sunday night that since it was time for the church to have family night again, after services Wednesday night every one was invited to her house for games and refreshments. Later the subject of trying to get the coons out of the house the first of the week, was brought up, and since Fred is on the committee to get rid of them, and he wouldn't guarantee what he was furnishing for refreshments, it was decided among the men to wait for a while to kill the coons. We have a little fun as we go along, but seriously, we do invite any one that wishes to come to be with us for our family nights, it is always a time of good fellowship.

TEXAS CONTINUING TO BENEFIT FROM PERMANENT SCHOOL FUND

The Texans who created a Permanent School Fund more than 100 years ago felt a memorial every Texas tax payer can understand and appreciate today.

In size of the Fund and money earned, no other state in the Nation has a comparable source of non-tax funds dedicated solely to public education.

The Fund provided more than

21 million dollars of non-tax money for use in public schools in 1962, a sharp increase of about three millions dollars more than in 1961.

The increase in revenue is attributed to investment in corporate securities, the refunding of certain treasury bonds, and normal growth of the investment account.

Investments in the Texas Permanent School Fund totaled more than 477 million dollars at the end of November, 1962, and current rate of return from the Fund has been increased from 3.38% to 3.51%.

In the past 25 years, the Fund has earned in interest more than \$162,000,000, not including money transferred from the principal.

In the next 10 years, interest earned should exceed 200 million dollars if the current rate of growth and returns continues.

For this period this sum would represent a tax savings of more than 40 per cent of the current total valuation of 477 million dollars.

The money will be needed as the scholastic population of the state is increasingly rapidly, about 65,000 to 70,000 children each year.

The problem of financing public education is not new as the rapid increase in the number of school children was the object of concern as far back as 1856 when Gov. H. R. Runnels addressed the Seventh Legislature.

Runnels said, "As each year passes, there will be more (children). In the wise provisions of God, to whom He grants no riches, He grants children in abundance."

The Permanent School Fund has proved to be a rich and profitable legacy from the early Texans, but it is doubtful if even they could have dreamed that by 1972 Texas will have an estimated three million school children to share in the benefits of men who planned to make certain, "equal educational opportunities for all."

Mrs. Ned Moore, secretary of the Hamlin Board of Community Development, reported this week that a total of 168 poll taxes were handled through the BCD office. Mrs. Moore has been authorized to sell the poll taxes locally and the number of poll taxes sold this year compares with 297 which were taken here last year.

Study Club Hears Program on Peace Corps Friday

"Americanism in Orbit" was the subject for the Friday afternoon meeting of the Fifty-Two Study Club which was held in the home of Mrs. Sam Walker. A discussion of the Peace Corps was presented by Mmes. Irby Weaver, F. E. Bayouth and Marvin Carlton.

Mrs. Jack Vaughan, chairman of the International Affairs Department of the club, announced an evangelistic campaign that was to be held Jan. 20-Feb. 2 in Guatemala. Southern Baptist missionaries asked that Baptists around the world join them in prayer for the campaign. Guatemala is the project this year. Last fall the club sent money to be used for desks for Guatemalan children.

The nominating committee which included Mmes. Weaver, J. E. McCoy and Walker presented nominations for new officers. Those elected were: Mrs. Jack Vaughan, president; Mrs. Noel Weaver, first vice president; Mrs. J. E. McCoy, second vice president; Mrs. Andy French, recording secretary; Mrs. Marvin Carlton, corresponding secretary; Mrs. Johnny Steele, treasurer; Mrs. Dean Witt, reporter; Mrs. Tommy Davis, librarian-historian; Mrs. Irby Weaver, Federation counselor; Mrs. Sam Walker, committee representative.

Alathean Class Meets with Mrs. Lenard Hartley

Mrs. Lenard Hartley was hostess for the recent meeting of the Alathean Sunday School Class of the First Baptist Church.

Mrs. Bill Shira gave the devotional thought on "Talents." She was introduced by Mrs. Tate May.

Mrs. Royce Kim, class president, presided. The group discussed plans for visitation and enlistment.

Mrs. Garland Preston received the hostess's surprise.

Duplicate Bridge Winners Told

Henry Albritton and Cliff Reynolds Jr. were first place winners at the Tuesday evening meeting of the Hamlin Duplicate Bridge Club. Mrs. Floyd Clifton and Mrs. Wilson Brannon were second, followed by Mrs. Henry Albritton and Mrs. Cliff Reynolds Jr. who were third.

The club meets every Tuesday at the old mill guest house.

Four from County Attend District H-D Meeting

A District III Texas Home Demonstration Association Training and Planning Meeting was held at Spur on Thursday at the First Baptist Church. The four women attending from Jones County were Mrs. Karl Bonneaux, Jones County THDA Chairman of Goodman HD Club, Mrs. H. A. Haynes of the Willow Creek HD Club, Mrs. Elmer Joiner, Council Chairman and Mrs. B. V. Newberry, Jones County Home Demonstration Agent.

Fern Hodge, District Home Demonstration Agent of Vernon, discussed the program of Home Demonstration Work. Also THDA Constitution and By-laws, THDA scholarships and contributions and the THDA Chairman were all discussed.

The District III THDA meeting at Vernon on May 7th was planned. It is to be held at the Wilbarger Auditorium. Three Jones County HD women will be elected in February as delegates to the meeting. All HD Club women of District III are urged to attend.

The state THDA meeting will be held on September 18 and 19 at San Antonio. Three delegates will be elected in May to represent Jones County.

Annual First Baptist Sweetheart Banquet Date Set

The annual sweetheart banquet for the youth of the First Baptist Church and their guests will be held at 7:00 o'clock Thursday evening, Feb. 14, in the Fellowship Hall.

The intermediate and young people will assemble in the chapel and select the king and queen by ballot vote before going into the Fellowship Hall for the banquet. The coronation will be held following the dinner.

The speaker will be Rev. Lewis Markwood, pastor of the Lueders Baptist Church. Special entertainment will include special music by a group from Hardin - Simmons University, Abilene, and a magician act by Ed Croan.

Mrs. Bill Shira Reviews 'Rags and Hope' for Club

"Rags and Hope" was reviewed by Mrs. Bill Shira for the Women's Literary Club at the Friday afternoon meeting in the home of Mrs. W. A. Casale.

The book, edited by Mary Laswell, was the story of a Texan who served with the Confederate Army during the Civil War.

Mrs. Floyd Clifton was program director. Mrs. Parker Kelley gave the parliamentary procedure.

The next club meeting will be Feb. 15 in the home of Mrs. Tate May. The program on Civil Defense will be given by 4-H Club Boys, Gary Caudle and David Drummond. Mrs. Ray Sonnenburg will also give a talk on traffic safety.

Friendship Club Meets for Coffee

Members of the Friendship Home Demonstration Club met with Mrs. Alton Mayfield for a coffee Friday morning. Money contributed for the coffee was given to the March of Dimes.

HEALTH DEPARTMENT WARNS AGAINST HOME DRY CLEANING

AUSTIN—There's really no way of knowing how many economy-minded housewives still indulge in the potentially deadly practice of home dry cleaning.

But it is a fact, revealed in State Health Department death records, that 369 Texans were killed last year in home accidents involving combustible materials, and 34 were fatally poisoned at home by gases and vapors. It is fair to surmise that a number of these incidents could be traced to dry-cleaning activities.

Perhaps many victims habitually used flammable liquids to clean curtains or clothes. Perhaps others were first-timers, motivated by economy or convenience. All were probably ordinarily sensible, fully aware of the peril of gasoline or naphtha or similar materials so often used for dry cleaning. But one brief moment of carelessness turned them from happy homemakers into sad statistics.

Explosions are only one of several risks involved in home dry cleaning. Some agents are flammable. Others give off injurious vapors. Still others are harmful to human skin. All could be lethal if taken internally.

Gasoline is so explosive that to keep it in the home is to open the door to disaster. Gasoline emits vapors which form explosive mixtures in the air. A transient spark from a light switch or cigarette and the mixture may be ignited.

Vapors may flow in an invisible stream for perhaps 200 feet from the point of use, flashing back and exploding the main container when touched off by a flame or spark. Static electricity generated by synthetic or silk fabric being cleaned is fully capable of igniting the fumes of gasoline or naphtha.

Care must be taken to avoid inhaling concentrated vapors, since the common ones—excluding turpentine—are anesthetics. Some, after prolonged exposure, are injurious to internal organs.

If gasoline or naphtha can dissolve dirt and grime on fabrics, obviously these same fluids can dissolve the natural oils of human skin.

If you still insist on doing your own dry cleaning, do it right.

Use only non-flammable cleaning agents, keeping in mind that "non-explosive" does not necessarily mean "non-flammable." Never, under any circumstances, use naphtha or gasoline.

Do your cleaning outside, where toxic vapors will be quickly and safely dissipated and use a dip stick in the liquid rather than your hands. (A weekly feature from the Health Education Division, Texas State Department of Health.)

Better salaries is the most important single factor in retention of teachers—so said 153 Hale-Aikin county committee in a study of Texas schools.

Sophia Vargas of Old Glory High School was selected as the Homemaker of Tomorrow in the 1963 Betty Crocker Search for the American Homemaker of Tomorrow. She achieved the highest score in a knowledge and attitude test given the senior girls on December 4. The test is prepared and scored by the Science Research Associates of Chicago. This year some 410,466 girls participated from 12,964 schools throughout the nation.

Sophia's test is now being judged on state level; winners receiving scholarships. The state winner will also be awarded a trip to New York City.

Sophia is the daughter of Mr. and Mrs. C. H. Vargas. She completed three years in Home-making. She is the last of five children of the Vargas' to attend Old Glory School. One older sister, Maria, graduated from Texas A&I College at Kingsville with a major in Home Economics and is teaching her second year at San Isidro Consolidated. Sophia maintains a high scholastic average and at present plans to attend Texas A&I next year where she plans to study toward becoming a pharmacist.

Past winners of the Betty Crocker Award at Old Glory School includes Mary Trede-meyer, now Mrs. Ted Jennings of Seymour; Sarah Shatto, senior student at Seguin Lutheran College; and Nancy Robinson who is now living in New Mexico. Mrs. V. R. Leverett is Homemaker teacher.

Beta Chi Chapter of Delta Kappa Gamma met last Saturday in Munday with the members from that town as hostesses. The program was built around the study of three famous women—Helel Kele, Ann Sullivan and Ann Bancroft. Mrs. Afton Martin of Aspermont read "Three Days to See." A group of about 25 students from Haskell presented "The Miracle Worker." They were directed by Mrs. Kathleen Diggs who is speech teacher at Haskell. Mrs. Lillian Logan of Knox City was Program Director.

A Bake Sale was conducted by the Scholarship Committee. The next meeting will be March 2 at Knox City.

Attending the Beta Chi Chap-

ter meeting from Old Glory was Mimes. Jane Pritchard, Vera Bell, Maxine Klump, Johnny Pumphrey and Mary Jo Leverett.

SCHOOL:

Dr. Kemp, Haskell dentist, was in the Old Glory School, Wednesday to conduct the annual dental check for the student body. He was assisted by Lou Boldaz, the school nurse. We wish to thank Dr. Kemp for giving his time to this effort.

According to Mrs. Boldaz, 45 students need to see their dentist. Each child was given a report of the condition of his teeth. He was asked to take the report home for his parents to see.

"The Rose of Sharon" is the title of the play to be used by Old Glory as its entry in the one-act play contest this year.

The play calls for a cast of 2 girls and 2 boys. Tryouts were held this week.

The annual March of Dimes is in progress in Old Glory Schools and community. Mrs. Bernice White is the adult local chairman. Carolyn Sander is in charge of the fund drive in high school. Judy White is the grade school chairman.

In a "Challenge Race" the class donations (high school) to the March of Dimes is as follows:

JUNIORS: \$2.43
FRESHMEN: \$2.47
SOPHOMORES: \$5.00
SENIORS: \$5.50

The Challenges closed at 3:30 p.m. Thursday afternoon, but contributions are still welcome. High School totaled \$1879.

The total grade school contributions to date amount to \$5.00.

The following Old Glory teachers are named to the county textbook committee: Mr. Pritchard, Mrs. Mathews, Mrs. Leverett, Mr. Gill and Mr. Johnson.

New books are to be selected for math, physics, music, Texas history, homemaking, panish and Industrial Arts.

Dewey Dufensing had his onils removed last week, but

is back in school.

4-H NEWS:
The Old Glory Girls' 4-H Club met in the homemaking lab after school on Jan. 23. Nineteen members and two

adult leaders were present.

The president, Billie Vahlenkamp, presided for the meeting. Judy White led the group in the motto, the pledge, and the prayer. The girls made plans for selling food at the County Livestock Show on Feb. 2, and made out a work schedule. Nancy Vahlenkamp and Stephanie Letz gave a demonstration of making a coconut nut no-bake pineapple pie.

The adult leaders, Mrs. Pierce and Mrs. Baldree, provided refreshments.

The 4-H girls at Old Glory gave a Benefit Tea for the March of Dimes. It was held in the school cafeteria on Feb. 3, from 2 until 5. The 4-H girls provided cookies, punch, coffee, and music for the tea. It was very successful with \$105.75 being given. Mrs. Baldree, Mrs. Pierce and Mrs. White helped with the tea. All the donations were appreciated.

Mr. Roy C. Leverett of Abilene visited the V. A. Leveretts for a few days last week.

4-H STOCK SHOW

The only entries from Old

Glory were Joe Cannon's with a heifer which won a red ribbon. Kenneth Jones with a red ribbon gilt and with eight pigs that were entered in several different divisions and resulted in 2 red ribbons, 5 blue ribbons, 2 reserve champions, and 2 grand champions, which were on a gilt and a pen of three.

Mr. and Mrs. John Duncan of Old Glory attended the funeral of his niece's son, Jack Eddie Baker, 19, of Plainview who was fatally injured Sat. Jan. 19, in a car wreck.

Funeral was held at 2:30 p.m. Tuesday in the 9th and Columbia St. Church of Christ at Plainview.

Survivors include his parents Mr. and Mrs. I. W. Baker of Plainview and three brothers, Joe, Walter and Tommy.

Mr. Baker died Sunday in a Lubbock Hospital.

Because of the Texas State Teachers' Association's concern for qualified teachers in the future, Texas now has 393 chapters involving over 19,000 future teachers in student professional organizations.

NEINDA PHILOSOPHER REFUSES TO DISCUSS WEATHER, SWITCHES TO TELEVISION SITUATION IN AFRICA

Editor's note: The Neinda Philosopher on his Johnson grass farm on route one, apparently is trying to get his mind off the weather, his letter this week indicates.

With one Canadian blast of cold air after another coming down on us during recent weeks you'd think we'd be sending foreign aid up there and had suddenly stopped, but I've heard so much about the weather lately I don't intend to discuss it.

What I have in mind this week is the television situation in Africa.

According to an article I read in a newspaper last night which I had planned to wrap a water pipe with but never

did get around to and it's too late now, television is now showing up in darkest Africa and the people like it, especially Westerns. But the trouble is there aren't many sets in the country. As the article explained, "the reason is simple— with an average income of less than \$100 a year, it is difficult for an African to purchase a TV set, even with time payments."

I don't understand this. I've never seen a budget yet so small a television set couldn't be squeezed out of it, although I'll admit a hundred dollars a year is a mighty small budget.

The trouble with the Africans is that they don't understand high finance. Take the United

States. We understand it. Washington expects an income of around 90 billion dollars this year, but it intends to spend a hundred billion.

If Washington can spend 10 billion dollars it doesn't have, why can't an African spend \$10 he doesn't have and buy a television set? Although, I'll admit it might be hard to buy a TV set for \$10 a year.

To tell you the truth, I don't see how Washington can spend ten billion it doesn't have, but on the other hand I don't see how an African can live on \$100 a year. It just must not cost much to operate a car in that country.

Yours faithfully,
J. A.

We are headquarters for Underwood

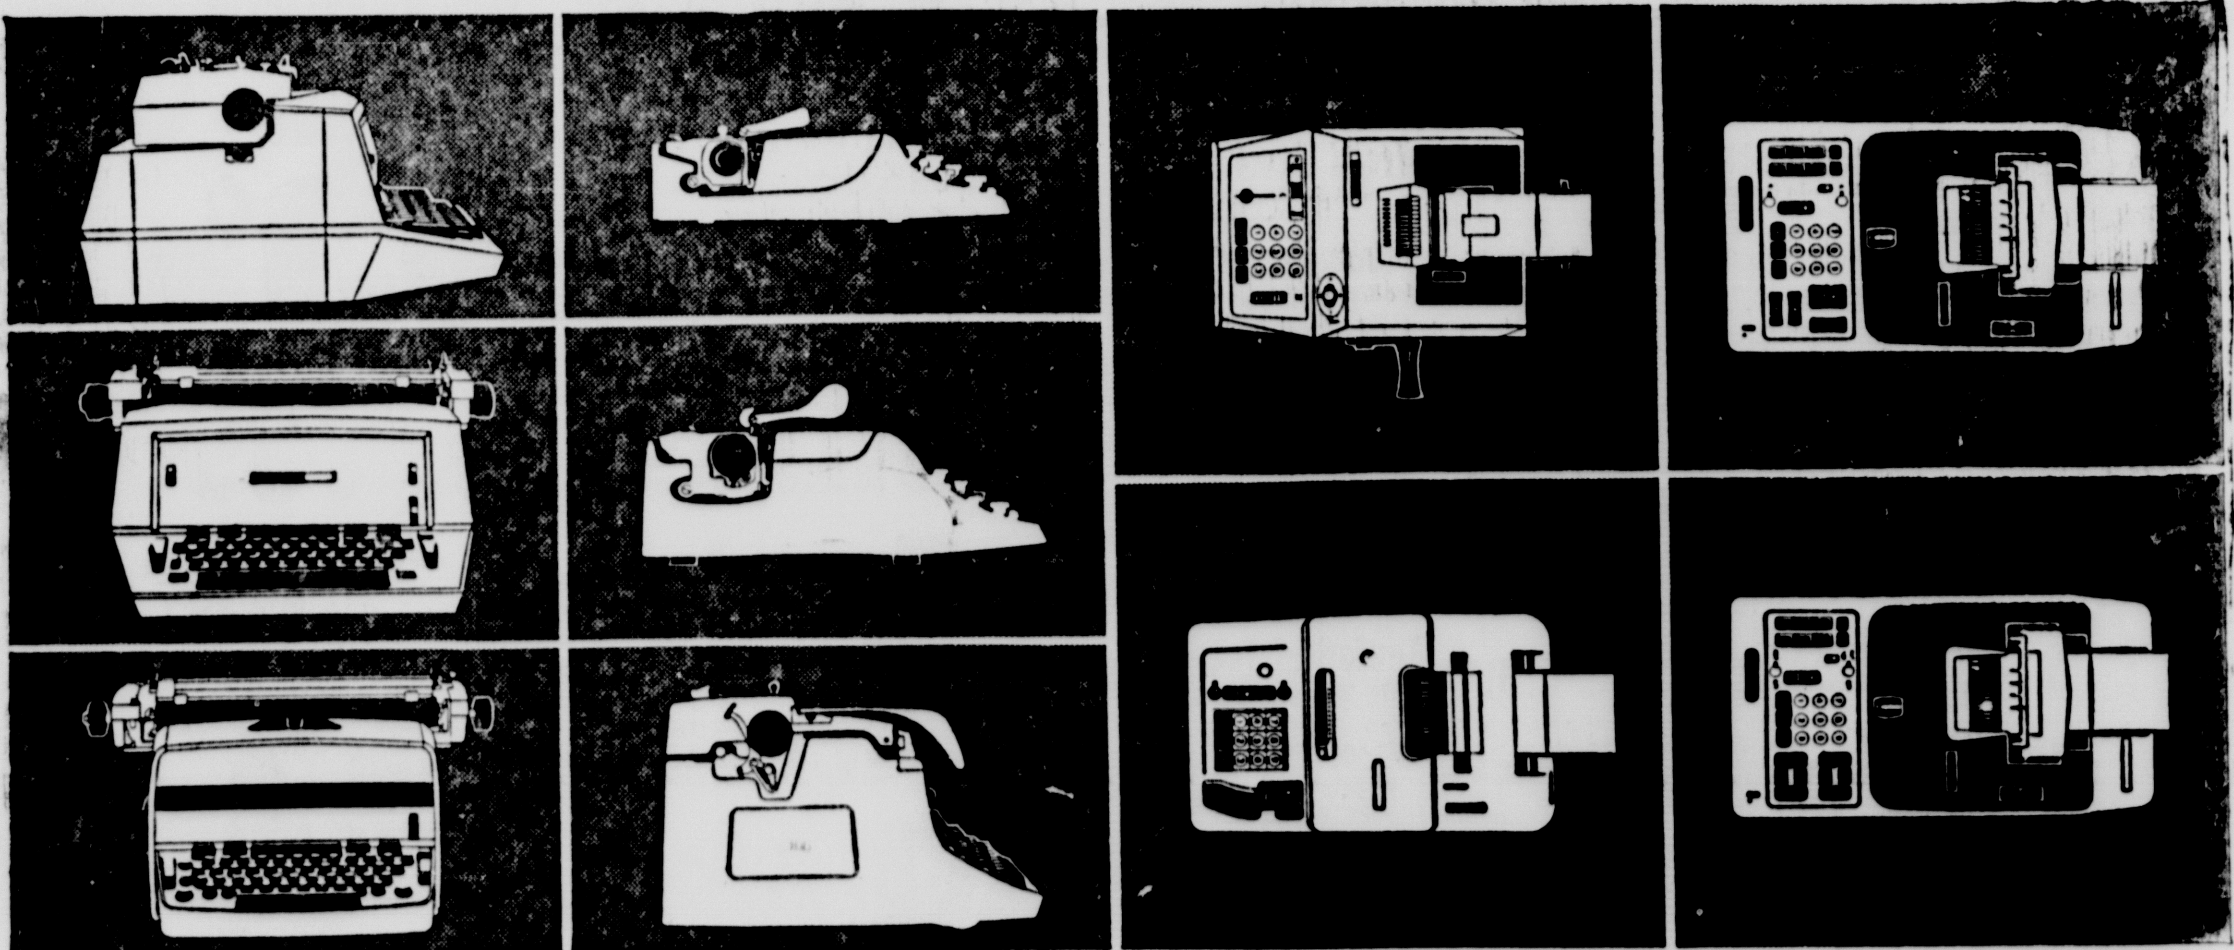

office machines: the most complete line ever available from a single source

The wide range of Underwood standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that we are uniquely able to provide the right machine for your specific work.

For example, we have three brilliant new Underwood electric typewriters — each with important, exclusive advantages. But when typing demands don't justify an electric machine, we are able to provide a new Underwood standard typewriter that produces high-quality general-purpose typing at exceptionally low cost.

No matter what your typing or calculating requirements, it's almost certain that one of our Underwood office machines can help reduce your office costs substantially.

For a demonstration of these new Underwood machines — on your own work, in your own office, at your convenience — call us today. We're here to serve you.

underwood RAPHAEL: An electric typewriter with automatic variable spacing and polyethylene carbon ribbon, designed to provide top management with typing of unmatched beauty, dignity and clarity. Operators quickly adjust to the Raphael, and appreciate such features as the title-centering scale and reverse tabulation.

underwood FORUM: An electric typewriter with standard spacing and both polyethylene carbon and fabric ribbons, for correspondence demanding typing of distinguished appearance.

underwood SCRIPTOR: A full-size fully-electric typewriter with fabric ribbon and standard spacing, designed to provide office management with general-purpose typing of high quality.

underwood-olivetti LETTERA 22: A super-light-weight portable typewriter with all important big-typewriter features including keyboard tabulation and basket shift; the perfect portable for traveling executives, students and home use.

underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features including full-size keyboard and keyboard tabulation, and yet easily portable; ideal for the professional office or the home.

underwood TOUCH-MASTER FIVE: A standard typewriter of handsome styling, exceptionally light touch, unusual operating ease and such advanced features as touch tabulation, designed for general-purpose typing of high quality.

underwood-olivetti PRIMA 20: a completely portable (8½ pounds) high capacity (99,999,999) 10-key adding machine with direct subtraction, credit balance indicator, column indicator, multiple-cipher keys, printed tape and other features not usually found in so low-priced a machine. Ideal for accountants, traveling auditors, small offices, and home use.

underwood-olivetti ELECTROSUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance and direct subtraction that offers a number of advantages including column indicator, single, double and triple cipher keys, and automatic dater. The Electrosumma 22 also performs multiplication.

underwood-olivetti DIVISUMMA 24: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations, saving time and eliminating a common source of error. Like all Underwood-Olivetti figure-work machines it prints an easy-to-read tape record of all operations for quick checking and inclusion with work sheets.

underwood-olivetti TETRACTYS: A dual-register version of the Divisumma 24 with a "memory." It performs all the operations of the Divisumma 24 and is able to handle complex combined operations. Its abilities include automatic accumulation of products and quotients.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin, Texas—Rep. Will Smith of Beaumont wants the voters of Texas to select the Speaker of the House.

He has introduced a resolution calling for a constitutional amendment to make the position of Speaker an elective office.

If passed by the people it would eliminate much bickering among House members, not only during sessions but between sessions. It would speed up work in the House by enabling the members to get down to business on the opening day of each session. And equally important it would save the State many thousands of dollars as a consequence of the man hours.

Frequently serious and bitter personal feuds have developed between members of the House prior to the House's selection of a Speaker as well as by disgruntled groups following the election.

To add to the confusion, prospective candidates for Speaker start jockeying for position with the beginning of every new session.

In the end the taxpayers of course is the loser. It has been said that some special sessions have been necessary due to the long delay and the wrangling that has resulted in years past over the Speaker or the speaker-ship.

The Senate does not have this problem since the people elect the Lieutenant Governor

to preside over the Chamber. Both jobs are identical, but only in the Senate do the people have a voice.

PADEE PROJECT RIGHT—Prospects are brighter for passage of Padre Island National Seashore legislation by the House and Senate.

An impressive parade of supporting witnesses went before State Affairs Committees in both chambers and a surprising about-face occurred on the part of Land Commissioner Jerry Sadler.

Several hundred Seashore boosters journeyed to Austin . . . largely from Nueces, Wilcox and Cameron counties . . . to pack the mid-week hearing. A total of 27 witnesses testified in favor of Sen. Bruce Reagan's Padre proposal, with no one appearing in opposition. Similar testimony was heard by the House State Affairs Committee . . . studying bills by Rep. Mention of Harlingen and Ronald Bridges of Corpus Christi. A single opposing spokesman stated that he just did not like the idea of creating a national seashore area.

Opposition had all but vanished otherwise—principally because of Sadler's retreat from his previous stand. He told the legislators that if a Federal project was what they wanted, "then I want to see it happen, too."

The reversal by Sadler apparently signaled the end of various "anti- Padre" efforts mounted in both houses by Rep. Rayford Price of Frankston and Sen. George Parkerhouse of Dallas, each of whom was sponsoring a bill giving Sadler veto power over the Seashore project.

House and Senate subcommittees appointed to study the

legislation appeared to be generally sympathetic and avowed Padre Seashore opponents were in a minority on both groups.

WOMEN'S RIGHTS—More than 200 women marched into a senate committee meeting on "equal rights for women" and cheered committee approval of a constitutional amendment they've battled for through several legislative sessions.

The "equal rights bill" yet to be passed by the Senate—may run into trouble in the House of Representatives.

Rep. James Cotton of Weatherford—former foe of the amendment—is chairman of the House Constitutional Amendment committee.

GOVERNOR SIGNS FIRST BILL—First bill to be signed by Governor John Connally was one he'd requested.

It was the bill which appropriates \$65,000 for his office; \$50,000 for a study of higher education needs, and \$82,000 for investigation and prosecution by the Attorney General's office.

Governor Connally also made two appointments. He named Austin attorney Robert D. Bullock to the Texas State Historical Survey Committee, and appointed Mrs. J. S. Abercrombie of Houston to the State Board of Mansions Supervisors.

NOT FOR JP COURT—Violators of game and fish laws cannot be tried in justice of the peace courts.

Attorney General Carr issued the opinion in response to a request by Rep. Bill Hollowell of Grand Saline, chairman of the House investigation committee.

Hollowell said the committee has received reports that such violations were being tried in justice courts contrary to at least two decisions by the Court of Criminal Appeals.

INDUSTRY LURE—A proposal to give new or expanded industry a five-year exemption of state property taxes has been advanced by Rep. Jim Segrest of San Antonio in a state property taxes has been advanced by Rep. C. Jim Segrest of San Antonio in a constitutional amendment he introduced in the House.

"Tax lures" for new industries are considered unattractive by the Texas Industrial

Commission, but Rep. Segrest predicted a property tax exemption would speed up industrialization. His proposed exemption would apply to new industries coming into state or to existing firms which increase both capital investment and employment by 10 per cent.

LIFE BEGINS AT FORTY—That old saying "life begins at forty" has been refuted by many workers who claim their troubles start at forty, when their jobs are endangered because of their advancing age.

Governor Connally included job security for people up to 65 in the program he laid before the 58th Legislature, and the Fraternal Order of Eagles has made the matter its No. 1 legislative project.

Bills stating that no state agency or political subdivision of the state may refuse to employ persons solely on the basis of age have been introduced in senate by Sen. Franklin Spears of San Antonio and in the House by Rep. Will L. Smith of Beaumont.

Bills also provide that no agency of the state or any political subdivision may establish a maximum employment age of less than 65 years.

If the bill passes, it also would be illegal for any individual, firm or association in Texas to refuse to hire, or attempt to fire, anyone up to 65 solely on the basis of age.

STAMPS OR CASH—Rep. Milton Schiller of Cameron is circulating a bill to require merchants to give customers a three per cent discount if they don't want to accept trading stamps as a shopping "bonus."

Schiller is trying to see what sort of support he'd get if he decides to introduce the bill.

3111 BOOSTS OIL QUOTAS—A bill which would make the Railroad Commission allow much greater oil production in Texas has been introduced in the House of Representatives.

Rep. Lloyd Guffey of El Campo has proposed that the commission set 14 days as the minimum operation monthly by any well.

He also wants new fields incorporated until production reaches 10,000 barrels daily.

Every well also would be

permitted to produce at least the "average daily capacity allowed by the commission for the preceding 60 days."

TOURIST SLUMP ENDS—A four-year tourist slump ended in Texas last year.

State Highway Department says tourists spent \$471,000,000 during 1962, an increase of \$31,000,000 over 1961.

Number of tourists jumped from 8,400,000 to 10,600,000, 600,000.

HEALTH PANEL DUE—A steering committee is being selected to choose and guide a state-wide planning committee for developing mental health service in Texas.

Dr. J. E. Peavy, state commissioner of the new committee Co-chairman is Dr. Cyril J. Ruilmann, director of mental health for the state hospital system.

NO TEEN-AGE TATTOO—Rep. J. E. Ward of Glen Rose has introduced legislation that would make it unlawful to tattoo any person under 18 years of age.

Ward's bill declares that it is important to prevent young people from acquiring tattoos which may be disfiguring and impossible to remove without scarring.

It also noted that diseases may be transmitted by the tattooing process.

What do they have to compete with our middleweight Fairlane?

not a thing!

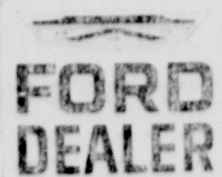

Fairlane is in a class by itself. It gives you the strong combination of big-car room, ride, performance—yet it handles and costs more like the compact!

To illustrate, let's compare the middleweight Fairlane with the compact Chevy II which some people mistakenly feel is in the same class. Fairlane is almost 15 inches longer. It has more leg room, front and rear—and 3 1/2 cubic feet more trunk space! Choice of two spanking V-8's or a spunky Six.

Next, compare the middleweight Fairlane . . . of the big

Chevy Fairlane is a foot shorter, far easier to park and handle. Yet, amazingly, Fairlane has more effective front leg room . . . about the same effective head room . . . practically the same trunk space! Plus Ford's exclusive money-saving twice a year or 6,000-mile maintenance! Yet Fairlane is priced hundreds lower—even lower than some compact! Come see your Ford Dealer . . . compare for yourself!

FARMERS TAKING INCREASED ADVANTAGE OF FARMERS HOME ADMINISTRATION

In 1962, Jones County Farm families repaid nearly \$442,000.00 in principal and interest on loans from the U. S. Farmers Home Administration, J. C. Hayes, County Supervisor of the agency announced in Anson today.

The amount repaid by Jones County Farmers in 1962 was 169 per cent more than the amount for the previous year.

Hayes said, "The record of Jones County farm families using Farmers Home Administration credit proves once again that adequate credit plus technical advice on farming problems, small farmers can operate successfully under modern agricultural condition."

"The family farmer is not obsolete, as some commentators charge. Given access to the best farming information available and capital to do a modern job of farming, he is and will remain the mainstay of the state's agricultural economy."

A total of \$1,140,000.00 in loans to Jones County farm and other rural families were made by Farmers Home Administration during the year. This

was 310 percent increase over the amount for 1961 and 300 percent over the 1960 volume of loans.

Of the \$1,140,000.00 loan by Farmers Home Administration in Jones County during 1962, \$557,680.00 went to 90 farmers to buy equipment, livestock, fertilizer, pesticides, feed tractor fuel, and other supplies for farm and home.

Farm Ownership loans totaling \$609,170.00 were made to 20 Jones County farmers to buy develop, or enlarge their farms and to refinance debts. Private lenders advanced \$594,270.00 of these funds under the Farmers Administration's Insured Loan Program.

Rural housing loans totaling \$73,780.00 went to Jones County Families to build or improve houses and service buildings on farms and in rural communities.

Emergency Loans totaling \$21,490.00 were made to 55 Jones County farmers to assist in maintaining normal farming operations disasters, such as hail, excessive rainfall and insects damage.

The Food and Agriculture Act of 1962, signed by President Kennedy in September, added a number of new loan authorizations to the Farmers Home Administration program of supervised credit in the state, Mr. Hayes reported.

Farm operating and ownership loans were broadened to include the financing of recreational enterprises designed to help supplement farmers' incomes.

Small towns and associations of farmers and other rural residents now may also borrow funds to finance changes in land use, including development of recreational facilities.

The Senior Citizens Housing Act of 1962 established a Farmers Home Administration program of loans to individuals, corporations and groups to build rental housing for the elderly in rural areas. Loans were also authorized over 62 to buy or renovate housing for themselves.

These new authorizations were in addition to a general modernization of Farmers Home Administration existing lending programs brought about by the Agriculture and Housing Acts of 1961.

All Farmers Home Administration loans are accompanied by technical advice on farm and financial management. Loans are made only to applicants unable to obtain needed credit from conventional lenders.

Contestants are to be quizzed on the Gospel of Mark and First and Second Peter, disclosed the local resident, active in the Foursquare church's youth program.

'Castaways' Opens Sunday at Rogue

For sheer imagination, you can't beat a combination like Walt Disney and Jules Verne.

For fast - moving entertainment, you can't beat Disney's version of the late French author's adventure story "In Search of the Castaways", opening Sunday at the Rouge Theatre.

The Burbank producer wisely chose talented English teenager Hayley Mills and venerable French charmer Maurice Chevalier to lead a bold band of adventurers across two continents in search of a shipwrecked sea captain. The talented twosome fit together like champagne and caviar; one effervescent, the other mellow.

Disney puts his top performers through a whirlwind, globe-grinding obstacle course; the adventurers encounter an earthquake, an avalanche, a man-eating jaguar, a swarm of alligators, a mammoth water-spout, a flash flood, bloodthirsty mutineers and Maroi cannibals.

George Sanders is at his suave, sophisticated best as double - dealing mutineer Thomas Ayerton, and Wilfrid Hyde epitomizes the aloof English peer as Lord Edward Glenarvan.

As Hayley Mills' first screen beau Michael Anderson, Jr. is impressive and young Keith Hampshire, who played "Oliver" on the London stage for two years before being signed by Disney, insures a bright future in motion pictures with his portrayal of Michael Grant, Hawley's younger brother.

The lively, appropriate music of the brothers Robert M. and Richard B. Sherman, which includes "Grimps," "Enjoy it" and the title song as sung by Chevalier and Miss Mills, adds fun and zest to the adventure drama.

Walt Disney produced "In Search of the Castaways" with the same light touch—a tongue-in-cheek mingling of comedy and suspense in a delightful boxoffice success. The film is a Buena Vista release.

Mr. and Mrs. C. L. Garrett returned Friday evening from Greenville, S. C., where they visited with their daughter, Mrs. Robert Bell, Mr. Bell, and their new grandson, Michael David Bell. The baby was born Jan. 16 and weighed 7 lbs. 3 oz. Paternal grandparents are Mr. and Mrs. Ernest Bell of Wellington, Ohio.

Gas Demands Break All Records

DALLAS—The largest gas supply in its 53-year history enabled Lone Star Gas Company to meet record-breaking demands for natural gas on its system during January.

All-time high records for gas delivery during a single day and during a single month were recorded by the company in January. Four major northers that blanketed the state during the month kept Texans in an icy grip, with only brief thaw-out periods before the next cold wave struck.

Peacock Woman Reported in Good Condition

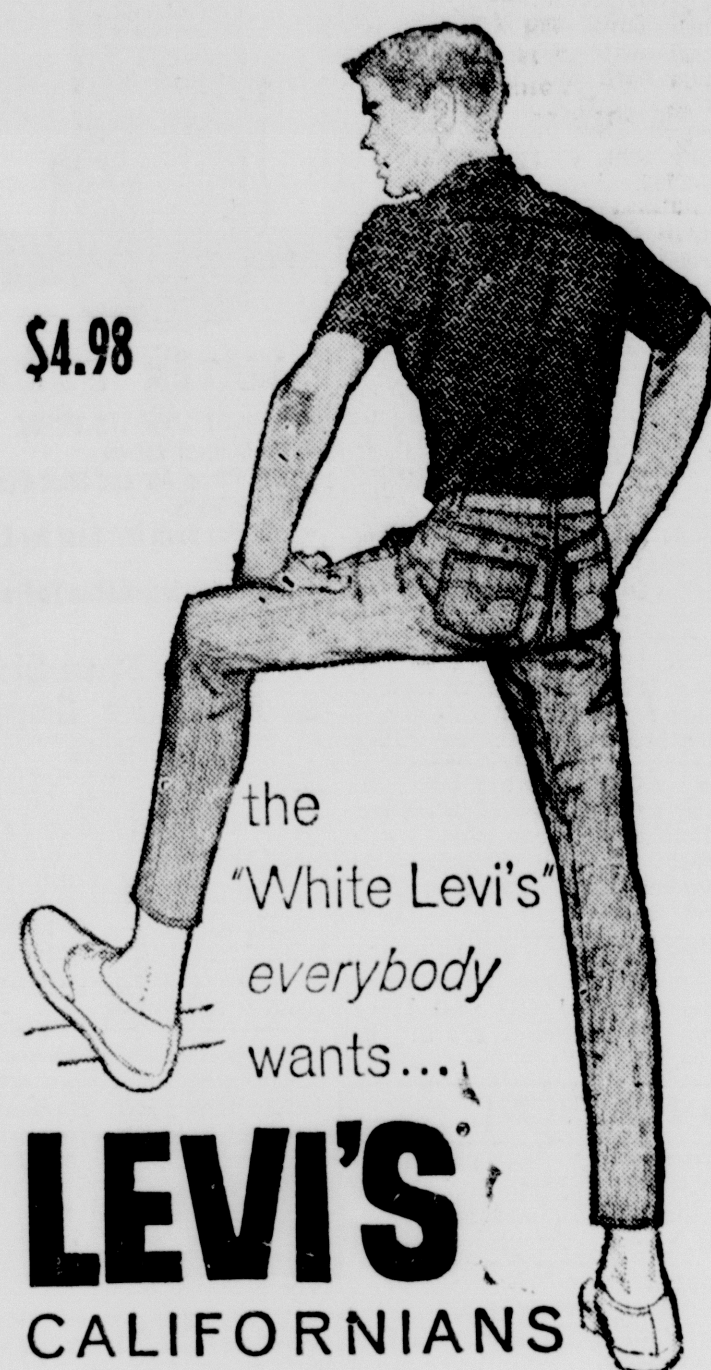

Mrs. Jeff Nash of Peacock is reported to be in good condition in the Hamlin Memorial Hospital where she is being treated for throat lacerations. Charges of assault with intent to murder have been filed by J. P. Albert Baugh against Q. C. Tillman, 36 year-old Negro of Aspermont, in connection with the killing of Mrs. Nash early Saturday morning. Tillman is being held in Stonevall County jail in Aspermont with bond set at \$3,000. He is an employee of Mr. and Mrs. Nash of their ranch.

News and Views . . .

and what have you

by BOB CRAIG

About this time last year we carried in this column a reminder to the Hamlin basketball fans that they must learn to control their emotions for the sake of our youth. It seems that it is time again to repeat this warning.

Of all of the spectator sports, basketball is probably the hardest on the sportmanship of the fans. Not only are the people jammed into a relatively small space, but the very nature of the game, with its many fouls and close calls, seems to bring out the worst in people.

The best hope I can see for the game is to take it out of the hands of the fans and officials and give it back to the kids. This does not mean to just let the kids run wild but get it back to where the kids play basketball instead of shoot free throws. The fewer times an official is required to call a foul the fewer times the fans will be likely to become upset.

But since the game must be played under the present rules the only thing that can be done is for the fans to exercise more judgment.

Both schools in each contest have an opportunity to approve the officials to be used in the game and when they have been okayed by the schools they must be accepted by the fans regardless of the outcome.

No amount of ugliness on the part of fans, either during or after a game, would change the outcome of the final score. And even if it would—the risk involved to the future status of the kids make it where it would not be worth it.

We have had two schools in this area suffer the penalties that can be imposed by the Interscholastic League and the damages that were done to the many fine young people that were innocently involved in the incidents were terrible. Many of them today are holding down poor paying jobs because they were denied the opportunity of earning athletic scholarships that they had the talents for.

It just takes one mistake on the part of an over anxious fan to get a school in serious trouble and it would require a lifetime to overcome the regret.

Under the present rules and regulations the only thing that this writer can recommend is for the school to do the best job it can in selecting the officials and for the fans that can not control their emotions to stay home.

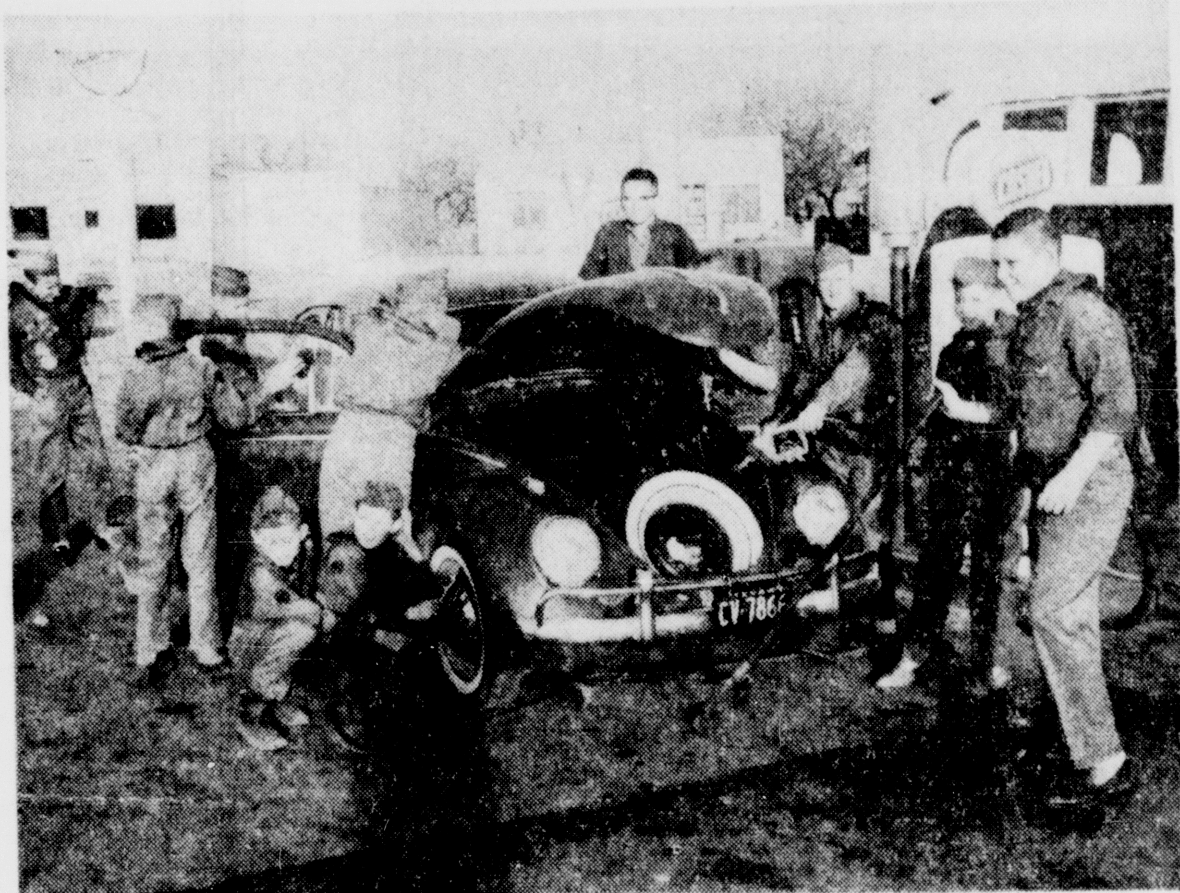

We received the following letter this week from Billy R. Armstrong and since his friends might enjoy hearing about him we are carrying it in this column. (He also mentions nice things about the paper, too... We appreciate this.)

Dear Sir:

I may perhaps know you and then I may not... The name is not familiar so the odds are against it. I was in the Class of 43 and since enlisting in the service in 43 have only been back through Hamlin and then only for short stops, visiting my aunt and uncle Mr. and Mrs. Bob Tegar.

Anyway let me say I thoroughly enjoyed reading the paper and particularly the Neinda Philosopher. Incidentally upon reading the 24 Jan. issue I may be able to shed a little light upon his problem. There is a move underway not too far distant in the future I am told to assign a telephone number to an individual upon his being born. I understand they are experimenting with this some place up north. So his problem is being worked upon.

The main reason for this letter is to inform you that I am retiring from the Navy on 1 Feb. 63 and this will necessitate a change of address. So until further notice will you please forward my copy to 605 Hickory, Sweetwater Texas in care of Mrs. A. L. George (my mother) When I get settled—which I hope is soon and will be either Ft. Worth or Wichita Falls, I will inform you of my new address. I plan on working for the Government again, but not in the service. I will

GETTING IN PRACTICE—Boys of Troop 43 get in a little practice as they prepare to take over the Oliver Oil Co. station Saturday in an effort to earn enough money to finish paying for their bus they have purchased last

fall. Burt Oliver has offered the boys the use of his station for the day with the boys making all of the profit from the operation. The troop still owes \$20 on the bus and will use any money over this amount for other expenses.

PICTURES NEEDED OF FLOOD DAMAGE ON CALIFORNIA CREEK

STAMFORD, Texas — Do you have any pictures showing high water or flood damage, caused by California Creek or any of its tributaries? These pictures might lead to a program that would eliminate this recurrent problem.

A committee has been set up within the California Creek Soil Conservation District to gain approval of an upstream flood prevention program on the creek. Federal funds are available for building the necessary dam to carry out the program.

Members of this committee are now gathering damage estimates from farmers, from utilities companies. It is necessary to establish that the cost of building the dams would be justified.

The committee is made up of representatives from the various communities in the county and the pictures can be given to these men. If you do not know the committeeman in your area, the pictures may be given or mailed to W. A. Pool, soil conservationist, Stamford.

The damage estimates will be submitted to the state and a survey requested. Many districts are seeking similar programs and a strong case is needed and the material should be submitted with little delay, Mr. Pool said.

Jones County Commissioners court has agreed to cooperate in the program and a similar request will be made of the court in Fisher County.

Services were held at 10 a. m. Tuesday at the Rex Funeral Home Chapel and second services were conducted at Prairie View Baptist Church. Burial was in Prairie View Cemetery.

Born Oct. 17, 1896, in Jones County, Mr. Rainwater was the son of Mr. and Mrs. George Rainwater.

In Nov. 1916, he was married to the former Clara Agnew at Carpenter's Gap community near Anson.

A retired farmer, he was custodian of Lubbock Public Schools at the time of his death. Mr. Rainwater was a member of the Baptist Church.

Survivors include his wife; one son, Bert Truett of London, England; one daughter, Mrs. Vivian Grindstaff of Lubbock; six brothers, Ollie of Lovington, N. Mexico, Archie, Andrew, N. J., all of Lubbock, Roy of Calif., and Delbert of Idaho; four sisters, Mmes. Bill Young, Bryan Young, both of Hamlin; Beulah Wood of Kansas City, Kansas. Two children preceded him in death.

Fire Department Plagued with Grass Fires

Six grass fires were the cause of alarms during the past week. The Hamlin Volunteer Fire Department was required at the scene of one of the fires for four hours Tuesday.

The dead, dry grass and weeds are just waiting to burn at the slightest spark; residents need to exercise extreme caution when it becomes necessary to burn trash or rubbish.

The fires were as follows: Wed., 1:40 p.m., J. V. Howard's S. W. Ave. C; no damage; Thurs., 8 p.m., Farmers Gin in Southwest Hamlin, no damage; Thurs., 9:50 p.m., one mile northeast of town, no damage; Fri., 5:45 p.m., 600 block S. W. First, no damage; Sunday, 11:50 a.m. east of town on Stamford Highway, no damage; Tues., 1:45 p.m., nine miles west of Hamlin at Starr Inzer's minor damage.

rites held THURSDAY FOR J. M. DOWELL

Services for John Melvin Dowell, 64, of Route 1, Hamlin, were held at 2 p.m. Thursday at the McCauley Baptist Church with burial in the Roby Cemetery.

Mr. Dowell, a resident here since 1919, died at his home at 11:20 p.m. Wednesday, following a heart attack. He was a farmer and a member of the Baptist Church.

Born Aug. 7, 1898, at Moody, he was the son of Mr. and Mrs. William Dowell. He was married to Jessie McDonald in Fisher County, Dec. 5, 1919.

The Rev. Gerald Tidwell, pastor, and Rev. Merle Stephens, pastor of the Meadowbrook Baptist Church of Irving, officiated.

Survivors include the wife, one son, Harvey Don, two brothers, Dick and Cecil, both of Moody; eight sisters, Mmes. Della Davis, Jess Shelton, Bessal, all of Waco; Jimmy Mars, C. O. Porten, John Beckner all of Moody; Marshall Ellington of Troy, R. M. Moore of Royston; and three grandchildren.

Pallbearers were Dub Walton, Milton Burk, Wilton Burk, Burt Oliver, William McCright, and Troy Gruben.

Fire Department Honors Retiring Members Thursday

Bryant Conner and Jack White were honored by the Hamlin Volunteer Fire Department with a retirement dinner at Bunnie's Restaurant Thursday evening. Both men were recognized for their more than twenty years of service to the department. Conner joined the group in 1941 and White in 1942. Both men have served various offices during their membership. White served as chief for eight years.

Chief C. L. White presented Conner with a billfold and key case and White with an engraved cigarette lighter from the department.

Tim Jones Attends Houston Meeting

Tim Jones, band director of Hamlin Public Schools, attended the convention of Texas Music Educators Association last week in Houston.

Jones is Region II Chairman and serve on the State Board of Directors during the complete revision and adoption of a new constitution.

The convention headquarters was in the Rice Hotel. He also attended performances of the AA Honor Band, (Ed Couch-Elson Band) the AAAA Honor Band (Permian High School of Odessa,) and the all State band, choir and orchestra.

STOCKMEN TO MEET IN ANSON ON SCREWORM PROGRAM

Since stockmen and farmers have been called upon to complete their quota before the State will appropriate funds to finish the screwworm eradication program, a meeting of the Jones County Animal Health Committee has been called for Thursday, Feb. 7 at 2:00 p.m., Charlie Myatt chairman, announced early this week.

The meeting will be held in the County Court room of the courthouse at Anson and the public is invited, Myatt said.

It has been suggested that all livestock owners donate an additional 50 cents per head to the cause and canvass of stockmen has already been started in the Nugent community Myatt said.

Also bankers, oil mills and some other business closely related to farming and ranchmen, have already added to the contributions they made last year, he said.

The county has sent in \$6,700 to the eradication fund and at least \$1,700 more is needed to meet Jones County's obligation under the present setup, Myatt declared. The money is needed by March 1.

Myatt and Maxie Harvey attended the state-wide meeting on the screwworm program held in Austin January

Carlton Implement Sponsoring Annual John Deere Day

Weldon Carlton, local John Deere dealer and owner of Carlton Implement Co., is sponsoring a special film to be shown today (Thurs.) at 7:30 p.m. in the primary cafeteria.

The film shows how the John Deere tractor is contributing to scientific farming. Several well known movie and television stars will be in the feature.

Refreshments will be served and there will be door prizes.

PIPERETTES TO MEET WINTERS IN OPENING ROUND AT H-SU

ABILENE — The defending champion Avoca Mustangettes join a field of 15 other teams who will be competing in the annual Hardin - Simmons University High School Girls' Invitational Basketball Tournament here Feb. 7-8-9. The Pipers will open with Winters at 1:45 p.m. Thursday.

The 16-team tournament is scheduled for Thursday morning through Saturday night in Rose Field House on the Hardin - Simmons campus. The meet is sponsored by Hardin-Simmons and is under the direction of Otto Polk, head of the health and physical education department at H-SU.

Seven teams who did not compete last year have been added this year. They include Burkburnett, Sands, Lake View of San Angelo, May, Rochester, Wylie and Baird. They replace Abernathy, a perennial champion of the meet, Duncansville, Luaders, Jim Ned, Forsan, Coleman and Benjamin.

Other teams in the tournament are Hawley, Anson, Eula, Winters, Old Glory, Trent, Paint Creek and Hamlin.

Coach J. D. Hargrove's High School team won last year's

Type III oral polio vaccine will be given here Sunday, from noon until 7 p.m. in the high school gymnasium. Volunteer workers who helped give the two previous doses will be helping with the registration and administration of the vaccine Sunday.

The drive is being sponsored by the Hamlin Board of Community Development.

Dr. M. L. Smith, city health officer, said this week that the doses given in Hamlin would be in liquid form. Some other towns are using the vaccine on sugar cubes but Hamlin will use the liquid, the same method that was used for the Type I and Type II.

Trailers will be licensed in three classifications according to weight. Trailers with gross weight of 10,000 lbs. or less will be licensed from A65 550 to A65 7999; 10,000 to 18,000 lbs. gross, Y 3780 to Y 3794; 18,000 to 32,000 lbs. gross, Z 9590 to Z9639.

Others include house trailers, M1-0090 to M1-0099; motorcycles, 9S 2310 to 9S 2329; dealers, P-5325 to P-5329.

Nail will be issuing licenses during office hours of 8 a.m. to 5 p.m. weekdays and from 8 a.m. to noon on Saturday. All vehicles must be licensed by April 1.

Three Abilene Men, Working Here, Hurt In Accident Tues.

Three men who are employed with the government housing project here were involved in a traffic accident Tuesday about 5 p.m. as they were returning to their home in Abilene.

The accident happened on the south edge of Anson on U. S. 83. The car, driven by Charles Frank Essary, 25, collided with a highway department truck which was preparing to turn into the highway department yard. Both were traveling south. Injured were Charles Johnson, 25, and the driver. The other occupant, Charles Herrick, and the two men in the department truck were not injured. Essary and Johnson were taken to Anson General Hospital.

Years Ago...

FORTY YEARS AGO

The Herald is tempted to turn loose upon the Highway propaganda that is getting so rife in Texas these days. But for fear some patrol (?) will accuse us of being "again" a thing so good, we shall hear and now go on record that we are for the best roads possible all the time. But we are for them, anywhere, everywhere and **GOOD ROADS**, mind you, before pike highways for Trans-continental or Trans-state trippers to sport over. There is a bit of difference between the fake "Designated" Highway and the community road that is laid out built and maintained for the country man to get his product over to the market.

TWENTY-FIVE YEARS AGO

Frank Edwin Hines, rural mail carrier at McCaulley, retired. He began to carry the mail on a Rule route in 1915, and continued in this capacity until transferred to McCaulley in 1935. Tom Hudson enters race for sheriff. J. B. Terrell, Jr. went to Austin last week to enroll in the State University. He is to take the pre-med course and some day it will be Dr. Terrell. Delma D. Shelbourne, W. H. Murphree, Grover Sipe and E. G. Smith are building a new residence for the Lewis Production Co. near Electra. B. T. Beaver of Anson will ask for the office of County School Superintendent again.

FIFTEEN YEARS AGO

A little daughter, Barbara Nell, is new in the home of Mr. and Mrs. George McDaniel. She weighed eight and one half pounds. A son weighing seven and 1/2 pounds was born in a local clinic to Mr. and Mrs. Joe Fudge. The little fellow was named Joe Allen. Several Hamlin citizens, including Hamlin's two famous square dance teams, have enrolled in a square dance school to be conducted at Anson by Bob Summerall. Royard Brown, son of Mr. and Mrs. H. E. Brown, was among 169 students awarded degrees in a winter commencement exercise at North Texas State College. Albert Maberry of Sylvester, and well known around Hamlin, was named last week as the County co-ordinator of the Veterans vocational Schools.

10 YEARS AGO

Work is progressing nicely on the new \$6,000 meeting house for the Oak Grove Colored Church. A boy for Dr. and Mrs. E. D. Perrin, was born January 21 at 7:15 a.m. Weighing eight pounds 11 ounces, he has been named Gregory Jon. A girl for Mr. and Mrs. A. M. Burleson arrived February 1. The little miss has been named Betty Sue. Named to the Camp Fire Council were: Mrs. Thomas Ferguson, John C. Bryant, Dr. Don Gould, Rev. Miles B. Hays, Mrs. M. T. York, Mrs. Willard Jones and June Jones.

FIVE YEARS AGO

Last year was the wettest year in the history of the Hamlin community, that is since government records of rain fall has been maintained. This gave the region a decided change from six years of drought. A total of 29.16 inches was recorded by the Hamlin gauge. Buster Brown, Future Farmer of America member of Sylvester, has entered three Durac barrows in the junior division of the great 1958 Houston Fat Stock Show. Jones County Jags in 1957 purchases of Savings Bonds. Contract is made for two more road projects in county. Mrs. Ned

Moore is named to the office of secretary of the new Hamlin Board of Community Development.

Stockmen Urged to Take Depreciation On Livestock

College Station — The livestock producer who does not figure depreciation on the livestock that he purchases is missing a good means of conserving capital, says C. H. Bates, extension farm management specialist.

Since much of the large capital investment required in the business of farming can be recovered by the taxpayer through depreciation, attention should be given to the present tax provisions, according to Bates.

The 1962 income tax law contains important changes affecting farmers and ranchmen. New suggested useful lives for some classes of property are among them. A three-year period will be allowed for shifting to the new guidelines, Bates says. The biggest change is that for farm building life which has been changed from 40 years to 25 years. Bates says that the useful life for cattle has been changed from 8 to 7 years on purchased animals.

Claims for depreciation should be made annually because it cannot be taken for years passed up, Bates explains.

The taxpayer can increase his potential capital gains from livestock sales by properly handling depreciation and the new tax law did not change capital gains on livestock. According to Bates, one of the first requirements is the setting of reasonable salvage value on animals purchased. The remainder may be "written off" as depreciation which then is regained when the old animals are sold.

The new "1963 Farmers Tax Guide" is now available at the Bates suggests that farmers and ranchmen pick up a copy at their earliest convenience. It's chuck-full, he adds, of important information.

M-SGT. JOHN L. BARNETT
Sgt. John Barnett Graduates from Military School

GOODFELLOW AFB Master Sergeant John L. Barnett of Hamlin, has graduated from the Command Senior Noncommissioned Office Academy here.

Sergeant Barnett, son of Mr. and Mrs. John Barnett of 628 W. Lake Drive, received advanced training in leadership and management. The course included study in military justice, Air Force history, human relations, world affairs and related subjects.

The sergeant, who entered the service in 1946, is assigned to the personnel services office here.

He is a graduate of Hamlin High School. Sergeant Barnett and his wife, the former Barbara Allen of Houston, have a daughter, Beverly.

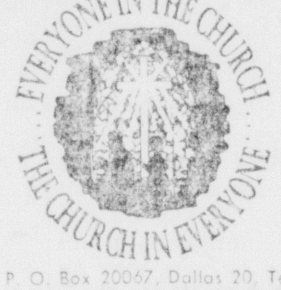

a little BIG NOW

We all get a thrill out of seeing our children put on our hats or shoes. Obviously they don't fit now, but some day he, or she will grow to fit them. At the same time imagine that they are trying on our lives. Would they fit? ... or do you live the type of life that you would want them to grow to. Live a life of worship of the Lord.

"Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

FAIRVIEW NEWS

By MRS. ELMER JOINER

After five weeks of the same old story, cold weather, we are happy to be able to say this morning that we have had some nice weather last week. Just enough nip in the air every morning to remind us that the winter isn't over, just giving us a little rest, it could return any day, but until it does we are enjoying the warmer weather. An old time West Texas dust and windstorm, blanketed the area Friday and Saturday, but as is usually the case, it was followed by a beautiful day Sunday, all of which is a welcome change from the bitter cold we have been having.

Tragedy struck the home of Mr. and Mrs. Melvin Dowell, of our community last Tuesday night, when Mr. Dowell suffered a heart attack and died at their home. Not being able to drive a car, and not having telephone, Mrs. Dowell had to walk half a mile for aid, but it was apparent that he had died instantly. Our deepest sympathy goes to the wife

and one son and family. Funeral services were held Thursday afternoon at the Baptist church in McCaulley, with burial in the Roby cemetery.

Funeral services were held Wednesday morning at 10, at the Prairie View Baptist church for Brown Rainwater, following services held in Lubbock Tuesday morning at 10 a. m. Mr. Rainwater was living at Lubbock at the time of his death, having suffered a heart attack Thursday morning, collapsed and died, while aiding his daughter to get her car started. He is survived by his wife the former Clara Agnew, one son and one daughter, a number of brothers and sisters. His body was laid to rest in the cemetery at the church, in the family plot.

Mr. Rainwater's sister and son, had attended funeral services in Lubbock Tuesday and were returning to their home in Kansas City, later in the day, on the plane that crashed and burned, in landing, at the airport in that city. Both of them perished, making such a tragedy in itself, but happening before the brother was laid away it made it so hard on the family. At times to do anything more than share their grief and say how sorry we are.

Mrs. Elmer Joiner was one of the four ladies of Jones county, to attend the district planning meeting of the H.D. clubs, held in Spur, last Thursday.

Mr. and Mrs. Winslow Gray visited Mr. and Mrs. Mel Jones Friday night.

Several from our community attended the singing at Hanna, Sunday afternoon. Those from our church were, Mr. and Mrs. Joe Ford, Mr. and Mrs. E. A. Henry, and Rev. Derrel Lewis and children.

Visiting with the Woodrow Goodwins for lunch Sunday were his two sisters, Mrs. Winnie Hale and son Goodwin, Crosbyton, and Mr. and Mrs. Archie Hogan, Spur.

Sunday night after services, the Goodwins went to Roby to visit with Mr. and Mrs. Bryan Goodwin who are in the nursing home there. At the last report, Mr. Goodwin was improved since being moved there.

Mrs. Johnny Lewis, the pastor's mother, has been ill in the Hamlin Hospital for several days.

Mrs. Derrel Lewis reports that her father, Mr. Ray of Lubbock, is some better, not having any bad spells last week, but is still in the hospital and prospects for his getting better aren't very bright.

Mr. and Mrs. Elmer Joiner accompanied his sister, Mr. and Mrs. Henry Kee, Lubbock, to San Antonio, Friday afternoon, where they all visited with their brother, Sonny Joiner, until Sunday.

Mr. and Mrs. Jack Walker, and girls Hamlin, were Sunday afternoon visitors of Mr. and Mrs. Woodrow Goodwin and Linda.

The pastor and family ate lunch with Mr. and Mrs. Fred Rosenbaum Sunday.

It has been learned that our

former pastor, Doyle Combs, and pastor at Swenson for the past year, has accepted the call of the Cavalry Baptist church in Andrews. He will move there in the near future, to begin his work. Our prayers go with him in this new field, we know the people at Swenson hate to lose them, but this is quite a bit larger church and he won't have to seek outside employment, and can devote his full time to the church work. This is the dream of every pastor and it is always a step forward in the ministry of a young preacher to get in a church where he can do that.

Mrs. Fred Rosenbaum announced Sunday night that since it was time for the church to have family night again, after services Wednesday night every one was invited to her house for games and refreshments. Later the subject of trying to get the coons out of the house the first of the week, was brought up, and since Fred is on the committee to get rid of them, and he wouldn't guarantee what he was furnishing for refreshments, it was decided among the men to wait for a while to kill the coons. We have a little fun as we go along, but seriously, we do invite any one that wishes to come to be with us for our family nights, it is always a time of good fellowship.

TEXAS CONTINUING TO BENEFIT FROM PERMANENT SCHOOL FUND

The Texans who created a Permanent School Fund more than 100 years ago felt a memorial every Texas taxpayer can understand and appreciate today.

In size of the Fund and money earned, no other state in the Nation has a comparable source of non-tax funds dedicated solely to public education.

The Fund provided more than

21 million dollars of non-tax money for use in public schools in 1962, a sharp increase of about three millions dollars more than in 1961.

The increase in revenue is attributed to investment in corporate securities, the refunding of certain treasury bonds, and normal growth of the investment account.

Investments in the Texas Permanent School Fund totaled more than 477 million dollars at the end of November, 1962, and current rate of return from the Fund has been increased from 3.38% to 3.51%.

In the past 25 years, the Fund has earned in interest more than \$162,000,000, not including money transferred from the principal.

In the next 10 years, interest earned should exceed 200 million dollars if the current rate of growth and returns continues.

For this period this sum would represent a tax savings of more than 40 per cent of the current total valuation of 477 million dollars.

The money will be needed as the scholastic population of the state is increasingly rapidly about 65,000 to 70,000 children each year.

The problem of financing public education is not new as the rapid increase in the number of school children was the object of concern as far back as 1856 when Gov. H. R. Runnels addressed the Seventh Legislature.

Runnels said, "As each year passes, there will be more (children). In the wise provisions of God, to whom He grants no riches, He grants children in abundance."

The Permanent School Fund has proved to be a rich and profitable legacy from the early Texans, but it is doubtful if even they could have dreamed that by 1972 Texas will have an estimated three million school children to share in the benefits of men who planned to make certain, "equal educational opportunities for all."

Mrs. Ned Moore, secretary of the Hamlin Board of Community Development, reported this week that a total of 168 poll taxes were handled through the BCD office. Mrs. Moore has been authorized to sell the poll taxes locally and the number of poll taxes sold this year compares with 297 which were taken here last year.

RAINBOW GIRLS INSTALLATION HELD HERE SATURDAY EVENING

New officers of the Hamlin Assembly No. 303, Order of the Rainbow for Girls, were installed at an open installation that was called Saturday evening.

Christy Wallace was installed worthy advisor, along with Ram Smith, worthy associate advisor; Glenda Hudspeith, charity; Connie Jo Duncan, hope; Donna Compton, faith; Gloria Jenkins, recorder; Sue Perryman, treasurer; Mary Lois Patterson, chaplain; Jan Albritton, drill leader; Mary Ann Elkins, love; Mary Margaret Turner, religion; Elizabeth Cunningham, nature; Mary Lynn Reynolds, immorality; Lynn Ann Miller, fidelity; Jeanette Green, patriotism; Cheryl Kluting, service; Sherlyne Witt, confidential observer; Carolyn Reynolds, choir director; Mrs. S. C. Ferguson Jr., mother advisor.

Decorations using the Worthy Advisor's colors, of red, pink and white, were used to decorate the Masonic Hall. Arrangements of red and white flowers were used in the assembly room and at the registration desk. A backdrop of red net covered with red carnations, pink styrofoam and white net hearts was used behind the worthy advisor's station.

Installing officers were Mrs. Joe League, installing officer; Mrs. Cal Sewell, installing marshal; Mrs. Roy Watson, installing

ling chaplain; Mrs. Bonnie Bingham, installing recorder; Mrs. Charlie Abbott, installing musician.

Miss Wallace introduced her parents, Mr. and Mrs. W. W. Wallace, who presented her with a white Rainbow Bible. She then received the white gavel from the Assembly, presented by Mrs. Ferguson.

Mrs. Jack Vaughan, retiring Mother Advisor, was given a past mother advisor pin as a gift for the assembly and the advisory board.

A reception in the reception hall followed the ceremony. The serving table was covered with a pink net cloth scattered with red cupid and hearts. The centerpiece was formed with a pink net umbrella with tiny cupid attached to the base and spokes. Crystal appointments were used in serving the red fruit punch and flower cookies.

Approximately 85 guests registered.

The Rainbow girls and their dates were honored with a "Teen-time" party in the home of Mrs. Ferguson after the reception.

The demand for public school teachers for the next five years will approximate 47,000 in Texas, an average of 9,400 per year.

Study Club Hears Program on Peace Corps Friday

"Americanism in Orbit" was the subject for the Friday afternoon meeting of the Fifty-Two Study Club which was held in the home of Mrs. Sam Walker. A discussion of the Peace Corps was presented by Mmes. Irby Weaver, F. E. Bayouth and Marvin Carlton.

Mrs. Jack Vaughan, chairman of the International Affairs Department of the club, announced an evangelistic campaign that was to be held Jan. 20-Feb. 2 in Guatemala. Southern Baptist missionaries asked that Baptists around the world join them in prayer for the campaign. Guatemala is the project this year. Last fall the club sent money to be used for desks for Guatemalan children.

The nominating committee which included Mmes Weaver, J. E. McCoy and Walker presented nominations for new officers. Those elected were: Mrs. Jack Vaughan, president; Mrs. Noel Weaver, first vice president; Mrs. J. E. McCoy, second vice president; Mrs. Andy French, recording secretary; Mrs. Marvin Carlton, corresponding secretary; Mrs. Johnny Steele, treasurer; Mrs. Dean Witt, reporter; Mrs. Tommy Davis, librarian-historian; Mrs. Irby Weaver, Federation counselor; Mrs. Sam Walker, committee representative.

Alatheatn Class Meets with Mrs. Lenard Hartley

Mrs. Lenard Hartley was hostess for the recent meeting of the Alathean Sunday School Class of the First Baptist Church.

Mrs. Bill Shira gave the devotional thought on "Talents." She was introduced by Mrs. Tate May.

Mrs. Royce Kim, class president, presided. The group discussed plans for visitation and enlistment.

Mrs. Garland Preston received the hostess's surprise.

Duplicate Bridge Winners Told

Henry Albritton and Cliff Reynolds Jr. were first place winners at the Tuesday evening meeting of the Hamlin Duplicate Bridge Club. Mrs. Floyd Clifton and Mrs. Wilson Branson were second, followed by Mrs. Henry Albritton and Mrs. Cliff Reynolds Jr. who were third.

The club meets every Tuesday at the old mill guest house.

Four from County Attend District H-D Meeting

A District III Texas Home Demonstration Association Training and Planning Meeting was held at Spur on Thursday at the First Baptist Church.

The four women attending from Jones County were: Mrs. Karl Bonneaux, Jones County THDA Chairman of Goodman HD Club, Mrs. H. A. Haynes of the Willow Creek HD Club, Mrs. Elmer Joiner, Council Chairman and Mrs. B. V. Newberry, Jones County Home Demonstration Agent.

Fern Hodge, District Home Demonstration Agent of Vernon, discussed the program of Home Demonstration Work. Also THDA Constitution and By-laws, THDA scholarships and contributions and the THDA Chairman were all discussed.

The District III THDA meeting at Vernon on May 7th was planned. It is to be held at the Willbarger Auditorium. Three Jones County HD women will be elected in February as delegates to the meeting. All HD Club women of District III are urged to attend.

The state THDA meeting will be held on September 18 and 19 at San Antonio. Three delegates will be elected in May to represent Jones County.

Annual First Baptist Sweetheart Banquet Date Set

The annual sweetheart banquet for the youth of the First Baptist Church and their guests will be held at 7:00 o'clock Thursday evening, Feb. 14, in the Fellowship Hall.

The intermediate and young people will assemble in the chapel and select the king and queen by ballot vote before going into the Fellowship Hall for the banquet. The coronation will be held following the dinner.

The speaker will be Rev. Lewis Markwood, pastor of the Lueders Baptist Church. Special entertainment will include special music by a group from Hardin - Simmons University, Abilene, and a magician act by Ed Croan.

Mrs. Bill Shira Reviews 'Rags and Hope' for Club

"Rags and Hope" was reviewed by Mrs. Bill Shira for the Women's Literary Club at the Friday afternoon meeting in the home of Mrs. W. A. Cassle. The book, edited by Mary Laswell, was the story of a Texan who served with the Confederate Army during the Civil War.

Mrs. Floyd Clifton was program director. Mrs. Parker Kelley gave the parliamentary procedure.

The next club meeting will be Feb. 15 in the home of Mrs. Tate May. The program on Civil Defense will be given by 4-5 Club Boys, Gary Cauble and David Drummond. Mrs. Ray Sorenson will also give a talk on traffic safety.

Friendship Club Meets for Coffee

Members of the Friendship Home Demonstration Club met with Mrs. Alton Mayfield for a coffee Friday morning. Money contributed for the coffee was given to the March of Dimes.

HEALTH DEPARTMENT WARNS AGAINST HOME DRY CLEANING

AUSTIN—There's really no way of knowing how many economy-minded housewives still indulge in the potentially deadly practice of home dry cleaning.

But it is a fact, revealed in State Health Department death records, that 369 Texans were killed last year in home accidents involving combustible materials, and 34 were fatally poisoned at home by gases and vapors. It is fair to surmise that a number of these incidents could be traced to dry-cleaning activities.

Perhaps many victims habitually used flammable liquids to clean curtains or clothes. Perhaps others were first-timers, motivated by economy or convenience. All were probably ordinarily sensible, fully aware of the peril of gasoline or naphtha or similar materials so often used for dry cleaning. But one brief moment of carelessness turned them from happy homemakers into sad statistics.

Explosions are only one of several risks involved in home dry cleaning. Some agents are flammable. Others give off injurious vapors. Still others are harmful to human skin. All could be lethal if taken internally.

Gasoline is so explosive that to keep it in the home is to open the door to disaster. Gasoline emits vapors which form explosive mixtures in the air. A transient spark from a light switch or cigarette and the mixture may be ignited.

Vapors may flow in an invisible stream for perhaps 200 feet from the point of use, flashing back and exploding the main container when touched off by a flame or spark. Static electricity generated by synthetic or silk fabric being cleaned is fully capable of igniting the fumes of gasoline or naphtha.

Care must be taken to avoid inhaling concentrated vapors.

since the common ones—excluding turpentine—are anesthetics. Some, after prolonged exposure, are injurious to internal organs.

If gasoline or naphtha can dissolve dirt and grime on fabrics, obviously these same fluids can dissolve the natural oils of human skin.

If you still insist on doing your own dry cleaning, do it right.

Use only non-flammable cleaning agents, keeping in mind that "non-explosive" does not necessarily mean "non-flammable." Never, under any circumstances, use naphtha or gasoline.

Do your cleaning outside, where toxic vapors will be quickly and safely dissipated and use a dip stick in the liquid rather than your hands. (A weekly feature from the Health Education Division, Texas State Department of Health.)

Better salaries is the most important single factor in retention of teachers—so said 153 Hale-Aikin county committee members in a study of Texas schools.

ALL BIG THINGS

DON'T HAPPEN IN BIG CITIES

Proud lines of small and medium size are scattered throughout the West Texas Utilities service area, plus some small towns and villages.

But collectively they compose the vital and fast-growing center of the Southwest, where major business and industrial development is taking place.

For example: a nationally-known packing company has established a lamb processing plant here . . . an existing manufacturer has developed machinery for a new process which is the life of the footwear industry . . . one of America's great business complexes has constructed a major textile-producing factory . . . a leading surgical supply company will soon start plant construction and dozens of other operations are bursting out all over the area.

Yes, it is very true. All BIG things don't happen in the big cities. Our service area takes GROWTH UNLIMITED, and our own expansion plans are geared to measure and meet the electric service needs of this dynamic area, the CENTER OF THE SOUTHWEST.

Sophia Vargas of Old Glory High School was selected as the Homemaker of Tomorrow in the 1963 Betty Crocker Search for the American Homemaker of Tomorrow. She achieved the highest score in a knowledge and attitude test given the senior girls on December 4. The test is prepared and scored by the Science Research Associates of Chicago. This year some 410,466 girls participated from 12,964 schools throughout the nation.

Sophia's test is now being judged on state level; winners receiving scholarships. The state winner will also be awarded a trip to New York City.

Sophia is the daughter of Mr. and Mrs. C. H. Vargas. She completed three years in Homemaker. She is the last of five children of the Vargas' to attend Old Glory School. One older sister, Maria, graduated from Texas A&I College at Kingsville with a major in Home Economics and is teaching her second year at San Isidro Consolidated. Sophia maintains a high scholastic average and at present plans to attend Texas A&I next year where she plans to study toward becoming a pharmacist.

Past winners of the Betty Crocker Award at Old Glory School includes Mary Trede-meyer, now Mrs. Ted Jennings of Seymour; Sarah Shatto, senior student at Seguin Lutheran College; and Nancy Robinson who is now living in New Mexico. Mrs. V. R. Leverett is Homemaker teacher.

Beta Chi Chapter of Delta Kappa Gamma met last Saturday in Munday with the members from that town as hostesses. The program was built around the study of three famous women—Helel Kele, Ann Sullivan and Ann Bancroft. Mrs. Afton Martin of Aspermont read "Three Days to See." A group of about 25 students from Haskell presented "The Miracle Worker." They were directed by Mrs. Kathleen Diggs who is speech teacher at Haskell. Mrs. Lillian Logan of Knox City was Program Director.

A Bake Sale was conducted by the Scholarship Committee. The next meeting will be March 2 at Knox City.

Attending the Beta Chi Chap-

ter meeting from Old Glory was Mmes. Jane Pritchard, Vera Bell, Maxine Klump, Johnny Pumphrey and Mary Jo Leverett.

SCHOOL:

Dr. Kemp, Haskell dentist, was in the Old Glory School, Wednesday to conduct the annual dental check for the student body. He was assisted by Lou Boldaz, the school nurse. We wish to thank Dr. Kemp for giving his time to this effort.

According to Mrs. Boldaz, 45 students need to see their dentist. Each child was given a report of the condition of his teeth. He was asked to take the report home for his parents to see.

"The Rose of Sharon" is the title of the play to be used by Old Glory as its entry in the one-act play contest this year.

The play calls for a cast of 2 girls and 2 boys. Tryouts were held this week.

The annual March of Dimes is in progress in Old Glory Schools and community. Mrs. Bernice White is the adult local chairman. Carolyn Sander is in charge of the fund drive in high school. Judy White is the grade school chairman.

In a "Challenge Race" the class donations (high school) to the March of Dimes is as follows:

JUNIORS: \$2.43
FRESHMEN: \$2.47
SOPHOMORES: \$5.00
SENIORS: \$5.50

The Challenges closed at 3:30 hursday afternoon, but contributions are still welcome. High School totaled \$1879. The total grade school contributions to date amount to \$5.00.

The following Old Glory teachers are named to the county textbook Committee: Mr. Pritchard, Mrs. Mathews, Mrs. Leverett, Mr. Gill and Mr. Johnson.

New books are to be selected for math, physics, music, Texas history, homemaking, panish and Industrial Arts. Dewey Dudenising had his onils removed last week, but s back in school.

4-H NEWS:

The Old Glory Girls' 4-H 'club met in the homemaking lab after school on Jan. 23. Nineteen members and two

adult leaders were present.

The president, Billie Vahlenkamp, presided for the meeting. Judy White led the group in the motto, the pledge, and the prayer. The girls made plans for selling food at the County Livestock Show on Feb. 2, and made out a work schedule. Nancy Vahlenkamp and Stephanie Letz gave a demonstration of making a coconut no-bake pineapple pie.

The adult leader, Mrs. Pierce and Mrs. Baldree, provided refreshments.

The 4-H girls at Old Glory gave a Benefit Tea for the March of Dimes. It was held in the school cafeteria on Feb. 3, from 2 until 5. The 4-H girls provided cookies, punch, coffee, and music for the tea. It was very successful with \$105.75 being given. Mrs. Baldree, Mrs. Pierce and Mrs. White helped with the tea. All the donations were appreciated.

Mr. Roy C. Leverett of Abilene visited the V. A. Leveretts for a few days last week.

4-H STOCK SHOW

The only entries from Old

Glory were Joe Cannon's with a heifer which won a red ribbon. Kenneth Jones with a red ribbon gilt and with eight pigs that were entered in several different divisions and resulted in 2 red ribbons, 5 blue ribbons, 2 reserve champions, and 2 grand champions, which were on a gilt and a pen of three.

Mr. and Mrs. John Duncan of Old Glory attended the funeral of his niece's son, Jack Eddie Baker, 19, of Plainview who was fatally injured Sat. Jan. 19, in a car wreck.

Funeral was held at 2:30 p.m. Tuesday in the 9th and Columbia St. Church of Christ at Plainview.

Survivors include his parents Mr. and Mrs. I. W. Baker of Plainview and three brothers, Joe, Walter and Tommy. Mr. Baker died Sunday in a Lubbock Hospital.

Because of the Texas State Teachers' Association's concern for qualified teachers in the future, Texas now has 393 chapters involving over 19,000 future teachers in student professional organizations.

NEINDA PHILOSOPHER REFUSES TO DISCUSS WEATHER, SWITCHES TO TELEVISION SITUATION IN AFRICA

Editor's note: The Neinda Philosopher on his Johnson grass farm on route one, apparently is trying to get his mind off the weather, his letter this week indicates.

With one Canadian blast of cold air after another coming down on us during recent weeks you'd think we'd been sending foreign aid up there and had suddenly stopped, but I've heard so much about the weather lately I don't intend to discuss it.

What I have in mind this week is the television situation in Africa.

According to an article I read in a newspaper last night which I had planned to wrap a water pipe with but never

did get around to and it's too late now, television is now showing up in darkest Africa and the people like it, especially Westerns. But the trouble is there aren't many sets in the country. As the article explained, "the reason is simple—with an average income of less than \$100 a year, it is difficult for an African to purchase a TV set, even with time payments."

I don't understand this. I've never seen a budget yet so small a television set couldn't be squeezed out of it, although I'll admit a hundred dollars a year is a mighty small budget.

The trouble with the Africans is that they don't understand high finance. Take the United

States. We understand it. Washington expects an income of around 90 billion dollars this year, but it intends to spend a hundred billion.

If Washington can spend 10 billion dollars it doesn't have, why can't an African spend \$10 he doesn't have and buy a television set? Although, I'll admit it might be hard to buy a TV set for \$10 a year.

To tell you the truth, I don't see how Washington can spend ten billion it doesn't have, but on the other hand I don't see how an African can live on \$100 a year. It just must not cost much to operate a car in that country.

Yours faithfully,
J. A.

We are headquarters for underwood

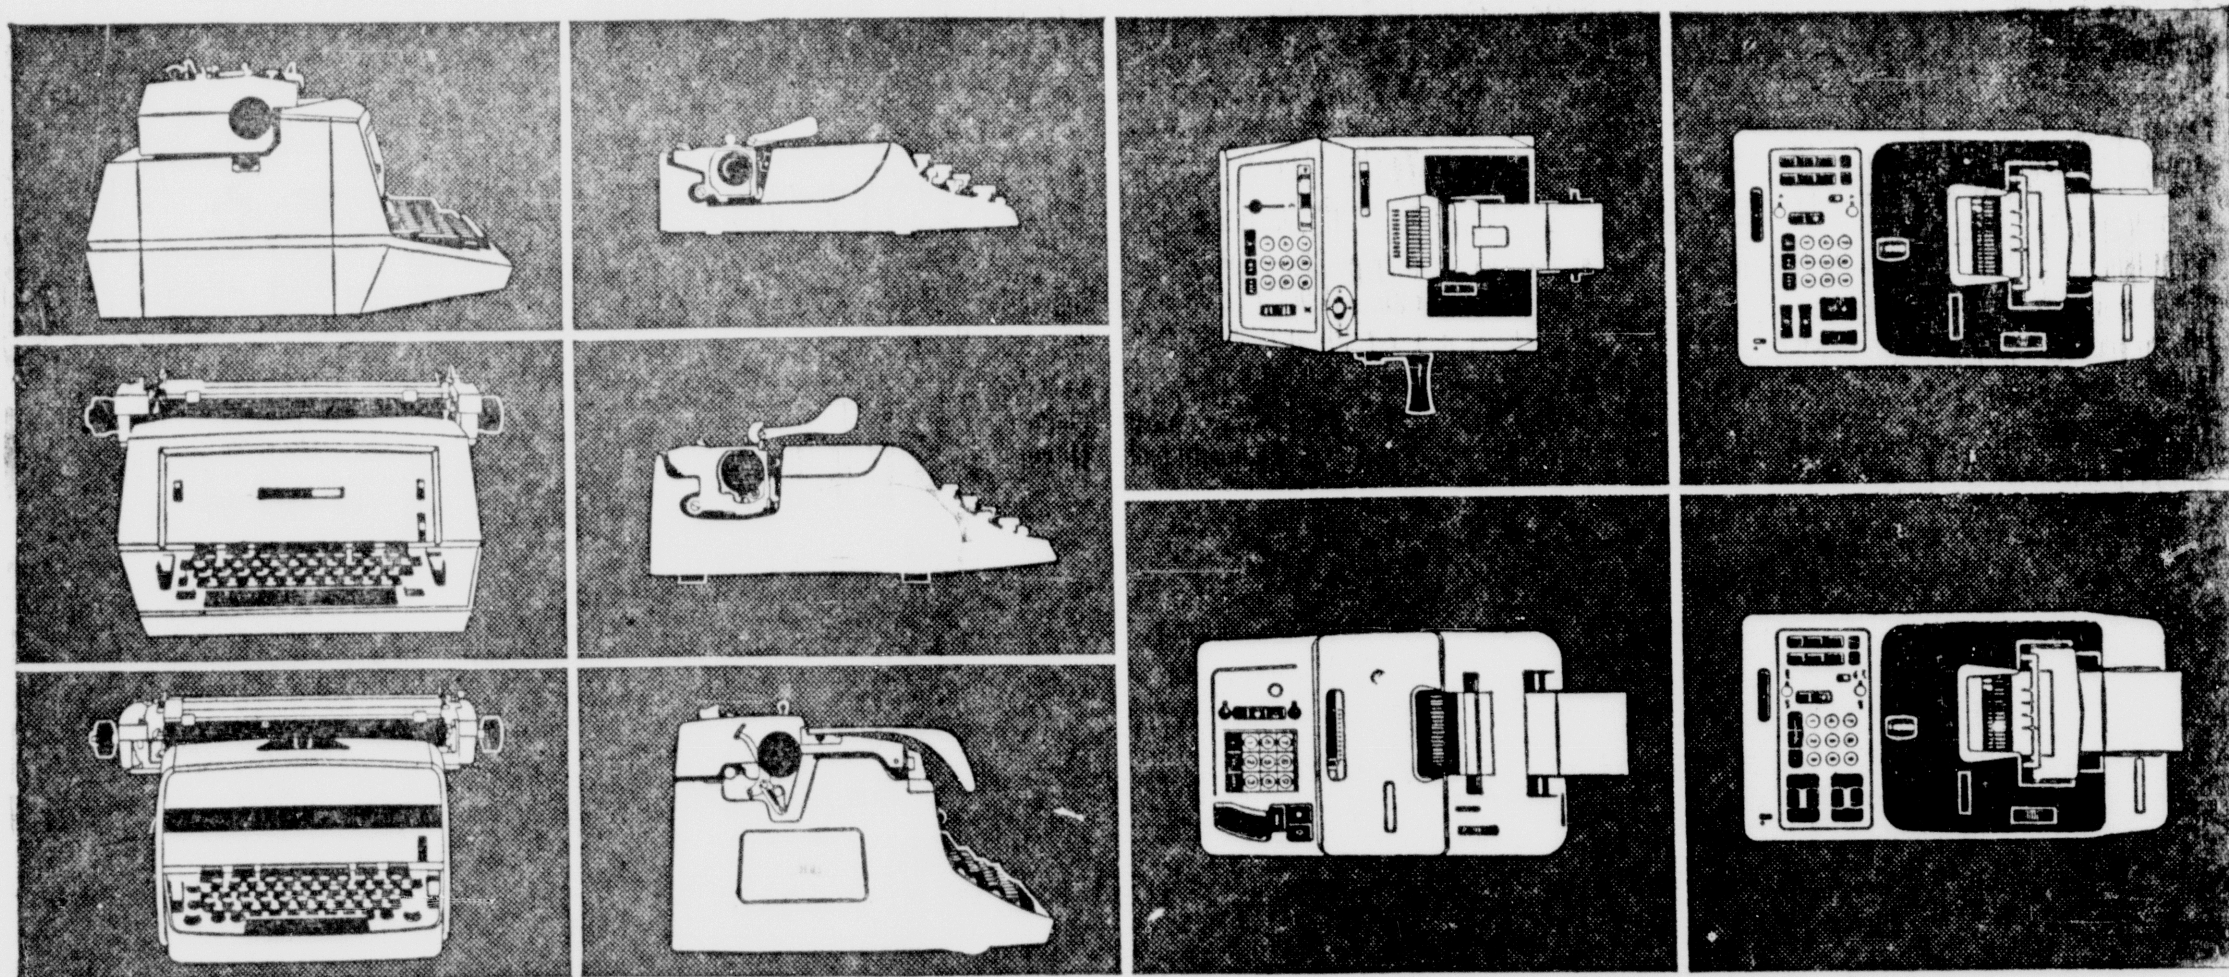

office machines: the most complete line ever available from a single source

The wide range of Underwood standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that we are uniquely able to provide the right machine for your specific work.

For example, we have three brilliant new Underwood electric typewriters—each with important, exclusive advantages. But when typing demands don't justify an electric machine, we are able to provide a new Underwood standard typewriter that produces high-quality general-purpose typing at exceptionally low cost.

No matter what your typing or calculating requirements, it's almost certain that one of our Underwood office machines can help reduce your office costs substantially.

For a demonstration of these new Underwood machines—on your own work, in your own office, at your convenience—call us today. We're here to serve you.

underwood RAPHAEL: An electric typewriter with automatic variable spacing and polyethylene carbon ribbon, designed to provide top management with typing of unmatched beauty, dignity and clarity. Operators quickly adjust to the Raphael, and appreciate such features as the title-centering scale and reverse tabulation.

underwood FORUM: An electric typewriter with standard spacing and both polyethylene carbon and fabric ribbons, for correspondence demanding typing of distinguished appearance.

underwood SCRIPTOR: A full-size fully-electric typewriter with fabric ribbon and standard spacing, designed to provide office management with general-purpose typing of high quality.

underwood-olivetti LETTERA 22: A super-light-weight portable typewriter with all important big-typewriter features including keyboard tabulation and basket shift; the perfect portable for traveling executives, students and home use.

underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features including full-size keyboard and keyboard tabulation, and yet easily portable; ideal for the professional office or the home.

underwood TOUCH-MASTER FIVE: A standard typewriter of handsome styling, exceptionally light touch, unusual operating ease and such advanced features as touch tabulation, designed for general-purpose typing of high quality.

underwood-olivetti PRIMA 20: a completely portable (8½ pounds) high capacity (99,999,999) 10-key adding machine with direct subtraction, credit balance indicator, column indicator, multiple-cipher keys, printed tape and other features not usually found in so low-priced a machine. Ideal for accountants, traveling auditors, small offices, and home use.

underwood-olivetti ELECTROSUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance and direct subtraction that offers a number of advantages including column indicator, single, double and triple cipher keys, and automatic dater. The Electrosumma 22 also performs multiplication.

underwood-olivetti DIVISUMMA 24: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations, saving time and eliminating a common source of error. Like all Underwood-Olivetti figure-work machines it prints an easy-to-read tape record of all operations for quick checking and inclusion with work sheets.

underwood-olivetti TETRACTYS: A dual-register version of the Divisumma 24 with a "memory." It performs all the operations of the Divisumma 24 and is able to handle complex combined operations. Its abilities include automatic accumulation of products and quotients.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin, Texas—Rep. Will Smith of Beaumont wants the voters of Texas to select the Speaker of the House.

He has introduced a resolution calling for a constitutional amendment to make the position of Speaker an elective office.

If passed by the people it would eliminate much bickering among House members, not only during sessions but between sessions. It would speed up work in the House by enabling the members to get down to business on the opening day of each session. And equally important it would save the State many thousands of dollars as a consequence of the man hours.

Frequently serious and bitter personal feuds have developed between members of the House prior to the House's selection of a Speaker as well as by disgruntled groups following the election.

To add to the confusion, prospective candidates for Speaker start jockeying for position with the beginning of every new session.

In the end the taxpayers of course is the loser. It has been said that some special sessions have been necessary due to the long delay and the wrangling that has resulted in years past over the Speaker or the speakership.

The Senate does not have this problem since the people elect the Lieutenant Governor.

CARD OF THANKS

Our thanks to each one of the many friends whose loving expressions of sympathy helped us so much during our recent sorrow. We are especially grateful.

Mrs. J. L. Blanton and Girls
Mr. and Mrs. James Blanton
Mr. and Mrs. Norris Blanton

legislation appeared to be generally sympathetic and avowedly Padra Seashore opponents were in a minority on both groups.

WOMEN'S RIGHTS—More than 200 women marched into a senate committee meeting on "equal rights for women" and cheered committee approval of a constitutional amendment they've battled for through several legislative sessions.

The "equal rights bill" yet to be passed by the Senate may run into trouble in the House of Representatives.

Rep. James Cotton of Weatherford—former foe of the amendment—is chairman of the House Constitutional Amendment committee.

GOVERNOR SIGNS FIRST BILL—First bill to be signed by Governor John Connally was one he'd requested.

It was the bill which appropriates \$65,000 for his office; \$50,000 for a study of higher education needs, and \$82,000 for investigation and prosecution by the Attorney General's office.

Governor Connally also made two appointments. He named Austin attorney Robert D. Bullock to the Texas State Historical Survey Committee, and reappointed Mrs. J. S. Abernethy of Houston to the State Board of Mansions Supervisors.

NOT FOR JP COURT—Violators of game and fish laws cannot be tried in justice of the peace courts.

Attorney General Carr issued the opinion in response to a request by Rep. Bill Holloman of Grand Saline, chairman of the House investigation committee.

Holloman said the committee has received reports that such violations were being tried in justice courts contrary to at least two decisions by the Court of Criminal Appeals.

INDUSTRY LURE—A proposal to give new or expanded industry a five-year exemption of state property taxes has been advanced by Rep. Jim Segrest of San Antonio in a state property taxes has been advanced by Rep. C. Jim Segrest of San Antonio in a constitutional amendment he introduced in the House.

"Tax lures" for new industries are considered an attractive by the Texas Industrial

Commission, but Rep. Segrest predicted a property tax exemption would speed up industrialization. His proposed exemption would apply to new industries coming into state or to existing firms which increase both capital investment and employment by 10 per cent.

LIFE BEGINS AT FORTY—That old saying "life begins at forty" has been refuted by many workers who claim their troubles start at forty, when their jobs are endangered because of their advancing age.

Governor Connally included job security for people up to 65 in the program he laid before the 58th Legislature, and the Fraternal Order of Eagles has made the matter its No. 1 legislative project.

Bills stating that no state agency or political subdivision of the state may refuse to employ persons solely on the basis of age have been introduced in senate by Sen. Franklin Spears of San Antonio and in the House by Rep. Will L. Smith of Beaumont.

Bills also provide that no agency of the state or any political subdivision may establish a maximum employment age of less than 65 years.

If the bill passes, it also would be illegal for any individual, firm or association in Texas to refuse to hire, or attempt to fire, anyone up to 65 solely on the basis of age.

STAMPS OR CASH—Rep. Milton Schiller of Cameron is circulating a bill to require merchants to give customers a three per cent discount if they don't want to accept trading stamps as a shopping "bonus."

Schiller is trying to see what sort of support he'd get if he decides to introduce the bill.

STILL BOOSTS OIL QUOTAS—A bill which would make the Railroad Commission allow much greater oil production in Texas has been introduced in the House of Representatives.

Rep. Lloyd Guffey of El Campo has proposed that the commission set 14 days as the minimum operation monthly by any well.

He also wants new fields unpermitted until production reaches 10,000 barrels daily.

Every well also would be

permitted to produce at least the "average daily capacity allowed by the commission for the preceding 60 days."

TOURIST SLUMP ENDS—A four-year tourist slump ended in Texas last year.

State Highway Department says tourists spent \$471,000,000 during 1962, an increase of \$31,000,000 over 1961.

Number of tourists jumped from 8,400,000 to 10,600,000 600,000.

HEALTH PANEL DUE—A steering committee is being selected to choose and guide a state-wide planning committee for developing mental health service in Texas.

Dr. J. E. Peavy, state commissioner of the new committee Co-chairman is Dr. Cyril J. Ruilmann, director of mental health for the state hospital system.

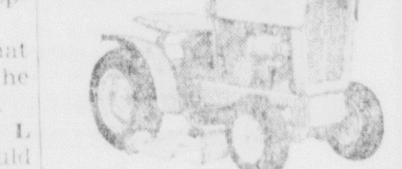

NO TEEN-AGE TATTOO—Rep. J. E. Ward of Glen Rose has introduced legislation that would make it unlawful to tattoo any person under 18 years of age.

Ward's bill declares that it is important to prevent young people from acquiring tattoos which may be disfiguring and impossible to remove without scarring.

It also noted that diseases may be transmitted by the tattooing process.

Dr. B. W. Gibbs, a dentist in Star City, Arkansas, finds time to be a member of the board of locally owned C & I Rural Electric Cooperative Corporation at Star City.

operate their own rural electric systems

Fred Schones operates his own barber shop in Selfridge, North Dakota. He also serves on the board of Mor-Gan-Sou Electric Cooperative, Inc., with headquarters at Flasher.

Milton B. Scott, partner in a general store in Pinetops, North Carolina, is also president of the board of Edgecombe-Martin County Electric Membership Corporation at Tarboro.

Jack Zavall, editor of the weekly newspaper at Humphrey, Nebraska, is a member of the board and treasurer of the Cornhusker Public Power District at Columbus.

These six consumers are the kind of people who own and operate America's Rural Electric Systems. They are typical of the rural people who found it necessary to join with their neighbors, borrow money from the Rural Electrification Administration, and build their own electric power systems to get electricity.

The REA doesn't own or operate a mile of line. It acts only as a banker whose job it is to make and collect loans and interest. Ownership of America's 1,000 rural electric systems rests solidly with the five million families—the 20 million people they serve. They're as local as your newspaper and as private as your signature.

What do they have to compete with our middleweight Fairlane?

not a thing!

Fairlane is in a class by itself. It gives you the exciting combination of big-car room, ride, performance—yet it handles and costs more like the compacts!

To illustrate, let's compare the middleweight Fairlane with the compact Chevy II which some people mistakenly feel is in the same class. Fairlane is almost 15 inches longer. It has more leg room, front and rear—and 3 1/2 cubic feet more trunk space! Choice of two spanking V-8's or a sporty 361.

Next, compare the middleweight Fairlane with the big

Chevy. Fairlane is a foot shorter, far easier to park and handle. Yet, amazingly, Fairlane has more effective front leg room... about the same effective head room... practically the same trunk space! Plus Ford's exclusive money-saving twice a year or 6,000 mile maintenance! Yet Fairlane is priced hundreds lower—even lower than some compacts! Come see your Ford Dealer... compare for yourself!

FARMERS TAKING INCREASED ADVANTAGE OF FARMERS HOME ADMINISTRATION

In 1962, Jones County Farm families repaid nearly \$442,000.00 in principal and interest on loans from the U. S. Farmers Home Administration. J. C. Hayes, County Supervisor of the agency announced in Anson today.

The amount repaid by Jones County Farmers in 1962 was 169 per cent more than the amount for the previous year.

Hayes said, "The record of Jones County farm families using Farmers Home Administration credit proves once again that adequate credit plus technical advice on farming problems, small farmers can operate successfully under modern agricultural conditions."

"The family farmer is not obsolete, as some commentators charge. Given access to the best farming information available and capital to do a modern job of farming, he is and will remain the mainstay of the state's agricultural economy."

A total of \$1,140,000.00 in loans to Jones County farm and other rural families were made by Farmers Home Administration during the year. This

was 310 percent increase over the amount for 1961 and 300 percent over the 1960 volume of loans.

Of the \$1,140,000.00 loan by Farmers Home Administration in Jones County during 1962, \$357,680.00 went to 90 farmers to buy equipment, livestock, fertilizer, pesticides, feed tractor fuel, and other supplies for farm and home.

Farm Ownership loans totaling \$609,170.00 were made to 20 Jones County farmers to buy develop, or enlarge their farms and to refinance debts. Private lenders advanced \$594,270.00 of these funds under the Farmers Administration's Insured Loan Program.

Rural housing loans totaling \$73,780.00 went to Jones County Families to build or improve houses and service buildings on farms and in rural communities.

Emergency Loans totaling \$81,490.00 were made to 55 Jones County farmers to assist in maintaining normal farming operations disasters, such as hail, excessive rainfall and insects damage.

The Food and Agriculture Act of 1962, signed by President Kennedy in September, added a number of new loan authorizations to the Farmers Home Administration program of supervised credit in the state, Mr. Hayes reported.

Farm operating and ownership loans were broadened to include the financing of recreational enterprises designed to help supplement farmers' incomes.

Small towns and associations of farmers and other rural residents now may also borrow funds to finance changes in land use, including development of recreational facilities.

The Senior Citizens Housing Act of 1962 established a Farmers Home Administration program of loans to individuals, corporations and groups to build rental housing for the elderly in rural areas. Loans were also authorized over 62 to buy over 62 to buy, build or renovate housing for themselves.

These new authorizations were in addition to a general modernization of Farmers Home Administration existing lending programs brought about by the Agriculture and Housing Acts of 1961.

All Farmers Home Administration loans are accompanied by technical advice on farm and financial management. Loans are made only to applicants unable to obtain needed credit from conventional lenders.

'Castaways' Opens Sunday at Rogue

For sheer imagination, you can't beat a combination like Walt Disney and Jules Verne.

For fast - moving entertainment, you can't beat Disney's version of the late French author's adventure story "In Search of the Castaways", opening Sunday at the Rogue Theatre.

The Burbank producer wisely chose talented English teenager Hayley Mills and venerable French charmer Maurice Chevalier to lead a bold band of adventurers across two continents in search of a shipwrecked sea captain. The talented twosome fit together like champagne and caviar; one effervescent, the other mellow.

Disney puts his top performers through a whirlwind, globe-grinding obstacle course; the adventurers encounter an earthquake, an avalanche, a volcano, a giant condor, a man-eating jaguar, a swarm of alligators, a mammoth water-spout, a flash flood, bloodthirsty mutineers and Maroi cannibals.

George Sanders is at his suave, sophisticated best as double - dealing mutineer Thomas Ayerton, and Wilfrid Hyde-epitomizes the aloof English - or as Lord Edward Glenarvan.

As Hayley Mills' first screen beau Michael Anderson, Jr. is impressive and young Keith Hampshire, who played "Oliver" on the London stage for two years before being signed by Disney, insures a bright future in motion pictures with his portrayal of Michael Grant, Hawley's younger brother.

The lively, appropriate music of the brothers Robert M. and Richard B. Sherman, which includes "Grimps", "Enjoy it" and the title song as sung by Chevalier and Miss Mills, adds fun and zest to the adventure drama.

Walt Disney produced "In Search of the Castaways" with the same light touch - a tongue-in-cheek mingling of comedy and suspense in a delightful boxoffice success. The film is a Buena Vista release.

Mr. and Mrs. C. L. Garrett returned Friday evening from Greenville, S. C., where they visited with their daughter, Mrs. Robert Bell, Mr. Bell, and their new grandson, Michael David Bell. The baby was born Jan. 16 and weighed 7 lbs. 3 oz. Paternal grandparents are Mr. and Mrs. Ernest Bell of Wellington, Ohio.

Gas Demands Break All Records

DALLAS--The largest gas supply in its 53-year history enabled Lone Star Gas Company to meet record-breaking demands for natural gas on its system during January.

All-time high records for gas delivery during a single day and during a single month were recorded by the company in January. Four major northers that blanketed the state during the month kept Texans in an icy grip, with only brief thaw-out periods before the next cold wave struck.

Peacock Woman Reported in Good Condition

Mrs. Jeff Nash of Peacock is reported to be in good condition in the Hamlin Memorial Hospital where she is being treated for throat lacerations.

Charges of assault with intent to murder have been filed by J. P. Albert Baugh against Q. C. Tillman, 36 year-old Negro of Aspermont, in connection with the knifing of Mrs. Nash early Saturday morning.

Tillman is being held in Stonewall County jail in Aspermont with bond set at \$3,000. He is an employee of Mr. and Mrs. Nash of their ranch.

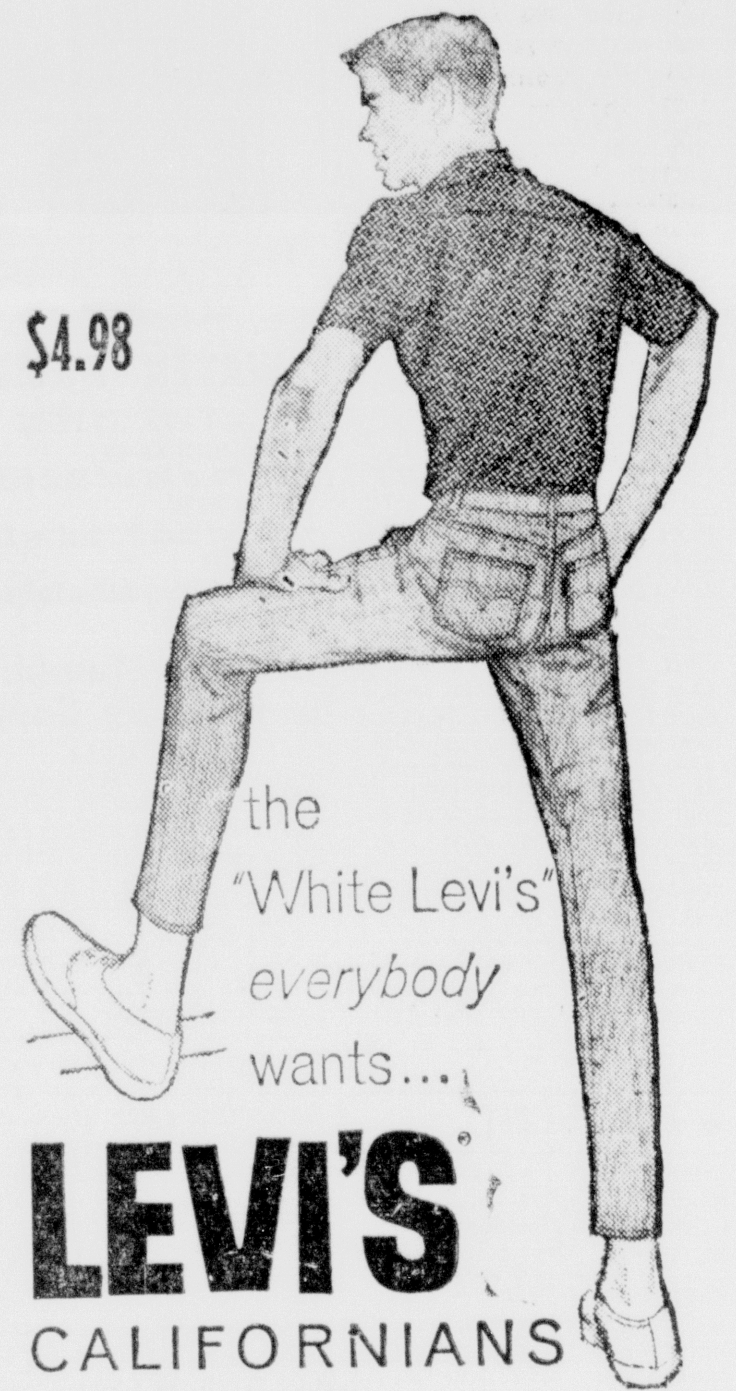

Contract Let on FM Road 2660
